Andy used to buy the biggest plug for the money

'till one day Barney gave him a chew of Real Gravely.

It was an hour or more before Andy said anything. "How much longer does this Gravely hold its good taste?" he says. "Two or three little squares last me all morning," an-

swers Barney. "This class of tobacco lasts so much longer it costs no more to chew it than ordinary plug costs."

It goes further—that's why you can get the good taste of this class of tobacco without extra cost.

Red Cross Roll Call Popular in Gilliam County

Have you answered the Christmas Red Cross Roll Call? If not, hurry to do so. The roll closes Monday, December 23, and we are anxious that the name of every adult in Gilliam county be there. Reports from outside precincts are very encouraging. Lone Rock secured 50 signers on Monday. Miss Ruby Mayer of the City Farm school secured 15, all but two in her district. A recent letter from Prof. Sturgill at Arlington reports a very successful campaign in that city. The school children plan to have Arlington one hundred per cent Red Cross and started the work with a big parade on Monday. The Blalock Farmers' Union and Red Cross Auxiliary started their Christmas Red Cross Roll Call with a public dinner given at the Union's new hall on December 15. We feel sure that there will be good reports from the Blalock district.

The teachers and pupils are doing this work at the request of

headquarters and the work will be done well. The pupils of the Condon High School had up to Wednesday noon secured 460 names. The money will be used for the proper care of soldiers and civilians. There is no definite quota but each and every adult is expected to contribute their dollar.

It is reported that "Pat" Laughrige, who was gassed shortly before the close of the war, has recovered nicely and has been ordered back to his division which is now on German soil.

J. B. Stevenson has started a dray line in Condon and is handling freight and all kinds of hauling, heavy or light.

L. E. Shelley expects another carload of Hudson Super-sixes in a few days and advises that those who wish to buy should get the order in early.
