## Sesame+Lilies Upstairs Gallery features new works by artist Diane Speakman

Diane was recently commissioned to paint seven three-foot square canvases, each of a different animal. The animals chosen were a Tiger, Owl, Bear, Ram, Wolf, Lynx and a Fawn. She has chosen background colors which are consistent with her muted palette to complement each animal.

Speakman specializes in land and seascapes, birds, boats and dog portraits in acrylic and oil on canvas and hardboard. She has been painting on the Oregon coast for eighteen years utilizing a moderate palette to render the soft hues of the northwest which gives her paintings an impressionistic feel. She has recently branched out painting abstracts on large canvases.

Diane's work can be viewed on the Sesame+Lilies website. [www.sesameandlilies.com](http://www.sesameandlilies.com)
