# THANK YOU, SEASIDE!

Hood To Coast / Portland To Coast Relays would like to thank the City of Seaside, Seaside Fire and Rescue, Seaside Police Department, and Seaside Chamber of Commerce for hosting the 36th HTC/PTC Relays Finish Party. Your beautiful city and county were on display this year for participants from all 50 U.S. States and 37 countries. We would also like to thank Clatsop County public safety, residents, and businesses for your patience and support. \$19,000 will again be donated to Seaside Parks and Recreation.

With more than 60,000 individuals visiting Seaside for The Hood and Portland To Coast Relays, this visit represents a first impression to a captive audience that very often leads to future visits for these individuals and their families. This is an economic impact that goes beyond measure and one that can very often be a lifelong development of future memories in your town.

Additionally, participants raised a record amount of over \$725,000, which benefits Providence Cancer Center and their continuous efforts to find a cure for cancer.

Thank you Seaside, for supporting the race for 28 years in your community! We look forward to many more fantastic race finishes in Seaside. Special thanks to all the amazing charities on course; runners and walkers loved everything you provided, and we hope you continue to raise money for your charities in future years.

Looking forward to seeing you all in 2018!
