

Otis News.

Lots of rain and big tides now, also some ducks.

It seems by the papers that the new boat is going to be every place at the same time. We haven't heard of any place yet but that it was going to be there in a few days.

Roy Mattoon of Cloverdale was spending a few days on Salmon river this week with his old chums Dickens and Scott.

Burt Oviatt killed two fine geese the other day.

Bill Scott of Siletz will start to drive 70 head of hogs from the Bay to Sheridan in a few days. As Bill don't swear he has hired John Dickens to go along and do the cussing.

George Wood is expected here soon to take Mr. Hemstreet's place at the cannery and post office. Mr. Hemstreet is going to move on his homestead and be a rancher.

Edgar Parmele came in with a fine horse and buggy the other day. Pretty muddy for a buggy. However, there is a girl on Salmon river that has a pleasant smile when you speak of the buggy.

When going up the Siletz river stop at Oviatts & Dickens and sample that smoked fish. It is fine.

Roblin Muir caught a coyote in a mink trap last week. Mr. coyote was catching his tame ducks.

John Dickens and B. E. Oviatt with their families will start for Forest Grove on a three weeks visit in a few days.

Jackey Johnson is building a fine house at Taft. He has gone to Grand Ronde for doors and windows.

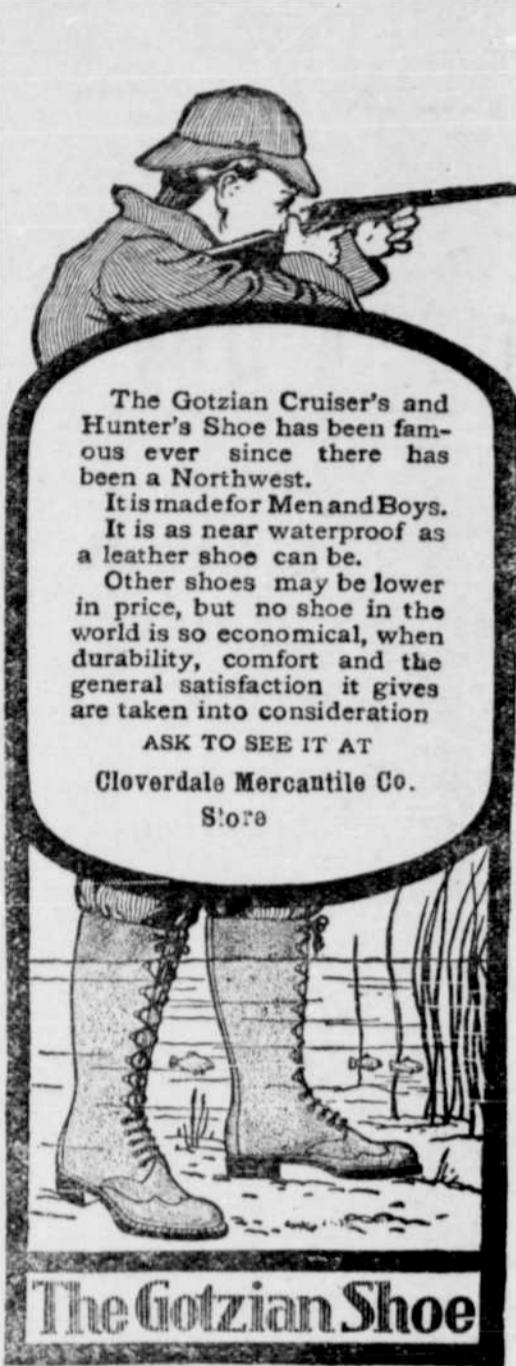

Mr. Fisher and friends of Dallas, have been spending a week or so on the beach.

Finley Bones has gone to Sheridan for a load of goods. No boat yet. The man that depends on the boat is bound to go hungry, and the parties that have got their money in the new boat must saw wood and say nothing. Big fish eat little ones.

Herald Anderson got a horse drowned in Siletz Bay the other day, and Tip Holland got his team drowned and lost his hack and nearly lost his life at the ford at the Agency last week. Now comes John Dickens.

The Secret of a Beautiful Face lies in keeping the skin protected as well as cleansed. Just washing is not enough—that only leaves the delicate surface more exposed to the irritation of dust and germs; to merciless attacks of sun and weather. After washing, apply Robertine and experience its delightful refreshment. You will admire the lineless softness it imparts to face, neck and arms. It not only stimulates a radiant glow, but protects the skin from becoming coarse. Prevents burning, tan and freckles.
