**Burning Kerosene (Coal Oil)**  
**It Outshines Gas or Electricity**

**HERE** is an oil-burning lamp which produces a flood of pure, white light—more brilliant than gas or electricity—yet wonderfully mellow and easy on the eyes. It is simple and safe, clean and noiseless, does not fill the room with obnoxious, unhealthy odors. To have a better lighted home, with an

**Aladdin Mantle Lamp**

will actually cost you nothing. It will pay for itself in the oil it saves. I am the agent for the Mantle Lamp Company of America and am telling you what I know to be absolute facts. Professor Rogers, of Lewis Institute, Chicago, made a comparative test of all the leading oil-burning lamps on the market—and the Aladdin was found to give the best light and the most economical to use. But you don't need to accept these strong statements on my word only. All I ask is the opportunity to prove them at my own risk. I will be glad to let you

**TRY an Aladdin Lamp in Your Home Before You Buy**

I furnish Table, Bracket, Hanging, Wall and Chandelier types of lamps—in fact Aladdin Lamps for every purpose. Just drop me a post card and simply say you are interested. I'll be glad to bring an Aladdin Lamp to show you and leave in your home to use a night or two, entirely without obligation. Mail the card today.
