British Army Officers Locating the Enemy

England has the greatest navy in the world, but its army from a numerical standpoint ranks fifth. Germany, France, Russia and Austria-Hungary rank, in the order named, above Great Britain. In time of peace there are 254,500 men in the army. There are 476,500 reserves, or a total war strength of 730,000 men. However, there are available for duty 2,000,000 men.

Austrian Mountain Gun Detachment

In the conflict between Austria and Servia a great deal of the fighting will be in the mountains. Neither country has a first class navy, and the armies will be depended on for victory. In this picture there is shown a number of the Austrian mountain guns. These are manned by efficient corps of soldiers, about six men to each gun.
