A Social Gathering at the Van-Dyke Home.

A delightful social gathering took place last Saturday at the residence of Mr. and Mrs. L. W. VanDyke, of Meda, the occasion being the birth anniversary of Mrs. VanDyke and was another of the week-end surprise parties.

The hours were whiled away in social chat, interspersed with music, and an excellent dinner was tastily served by the hostess.

Much interest was shown when a miniature model of a patented invention by G. W. Baker was displayed and its use described. It is hoped the invention will prove to be a success.

The day was thoroughly enjoyed and before departing the guests voted their hostess a most cordial entertainer, wishing her many more such happy birthdays.

Besides Mr. and Mrs. VanDyke those in attendance were: Mr. and Mrs. E. S. VanDyke and daughter LaVene, Mrs. T. H. Wilson, Mrs. Mary Weiss and son Ernest, Mrs. Molinda C. Paton, Mrs. Grant Dawson, Mr. and Mrs. Thos. Hollingsworth, Mrs. F. S. Foster, Mrs. E. J. Dunn, Mr. and Mrs. G. W.
