FIRST ANNUAL CLEARANCE SALE
D. W. GILBERT & SONS
BEAVER, - - - OREGON

SALE to commence Monday morning, January 11th and to continue till the first of February, 1915. Don't fail to come and buy your Gingham for your Summer Dresses.

We find it absolutely necessary to give our first sale and to continue each year for the reason that this is the time of year when every wide awake merchant tries to clean up his last year's stock of merchandise. Second because we must raise money to pay the heavy bills that come due this time of the year, and third because we have ordered extremely heavy for spring and must make room on our shelves. Everything on our Dry Goods side of the house will be reduced in price.
