THAT'S THE TOBACCO THAT
MAKES YOU FEEL LIKE
A TWO YEAR OLD

RIGHT YOU ARE
MISTER FARMER, ITS
THE REAL TOBACCO CHEW

THE GOOD JUDGE AGREES WITH THE FARMER

ASK the man who chews
"Right-Cut"—it is the only
Real Tobacco Chew.

The only chew that is cut just right—that gives you the full, fine, rich flavor of mellow, sappy tobacco—seasoned and sweetened just enough. Lasts you longer, too.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is *The Real Tobacco Chew*. That's why it costs less in the end.

It is a ready chew, cut fine and short shred so that you won't have to grind on it with your teeth. Grinding on ordinary candied tobacco makes you spit too much.

The taste of pure, rich tobacco does not need to be covered up with molasses and licorice. Notice how the salt brings out the rich tobacco taste in "Right-Cut."

One small chew takes the place of two big chews of the old kind.
