INTERESTING BITS OF CONDENSED NEWS GATHERED FROM
VARIOUS SOURCES IN OREGON

A liberal supply of trout will be furnished the Oregon commission from the Yellowstone park hatchery is reported from the commission to Senator Lane.

The two-year-old daughter of Mr. and Mrs. Joseph Oscar, residing near Dallas, died Sunday as the result of falling into a large pan of hot water, which had been placed on the floor by the mother a few minutes before.

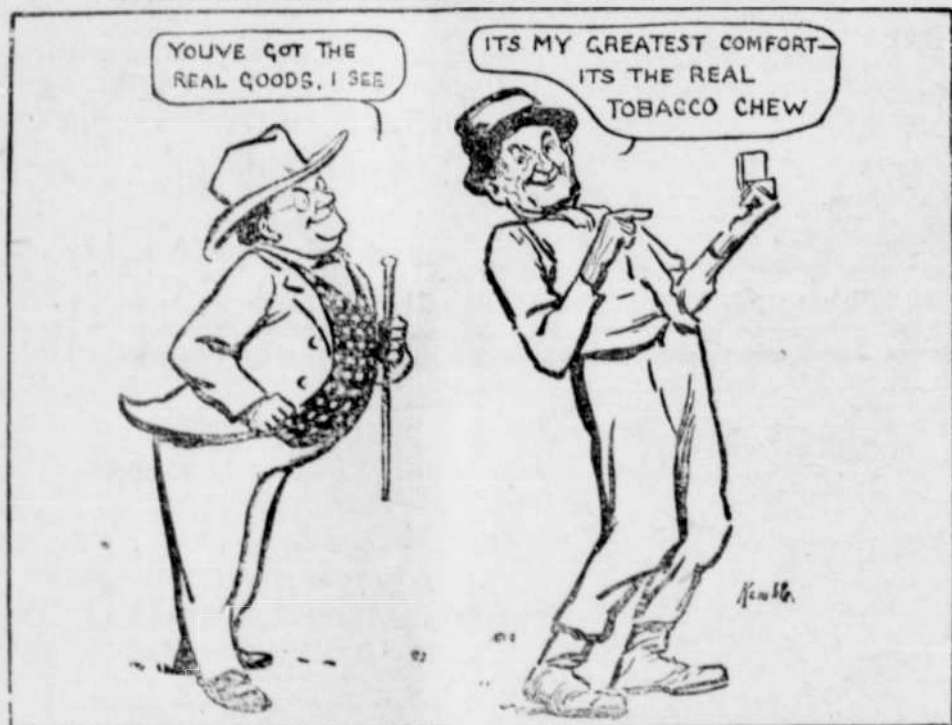

P. J. Harrang, of Foster, and the Lebanon Cash Produce Co., a few days ago shipped a carload of cascara bark out of Lebanon to New York City. The shipment

contained 17 tons and was valued at \$1350.

After spending nearly 48 hours in considering and discussing the case, the jury trying George Avery, of Corvallis, charged with the murder of William Purdy last April, returned a verdict Saturday forenoon of not guilty. Avery was immediately given his freedom.

Peter Kilkenny and Percy Morgan, aged 17 years, and both of whom, it is said, have been inmates of the State Industrial School for boys, are under arrest at Salem on the charge of burglarizing the Barnes Cash Store. Mor-

YOU'VE GOT THE
REAL GOODS, I SEE

IT'S MY GREATEST COMFORT—
IT'S THE REAL
TOBACCO CHEW

TOBACCO satisfied—a clean, small chew. It's the Real Tobacco Chew.

So satisfying and comforting that men are glad to hear about it. And then when they've found it their next impulse is to see that their friends get the good news, too.

A little chew of pure, rich, mellow tobacco—seasoned and sweetened just enough—cuts out so much of the grinding and spitting.

THE REAL TOBACCO CHEW IS NOW CUT TWO WAYS!!
W-B CUT IS LONG SHRED. RIGHT-CUT IS SHORT SHRED.

Take less than one-quarter the old size chew. It will be more satisfying than a mouthful of ordinary tobacco. Just take a nibble of it until you find the strength chew that suits you, then see how easily and evenly the real tobacco taste comes, how it satisfies, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is *The Real Tobacco Chew*. That's why it costs less in the end.

The taste of pure, rich tobacco does not need to be covered up. An excess of licorice and sweetening makes you spit too much.

One small chew takes the place of two big chews of the old kind.

Notice how the salt brings
out the rich tobacco taste.
