City Attorney A. H. Todd, of Lebanon, who is interested in the culture of peppermint, has started up his distillery at Stayton, and will distill the peppermint oil from the product of 15 acres.

Young boys banded together, have been making rich hauls robbing the pockets of swimmers on Hood River's river beaches. During the past week thefts from purses to an amount of \$67 have been reported to the local officials. Detective work on the part of the peace officers resulted in the capture of a part of the band and officers will round up the others, when all will be tried in court.

Three hundred and sixty thousand dollars was sent out Monday by State Treasurer Kay to the different counties of the state in payment of their respective shares of interest money from the school fund. THE LANDLORD IS GLAD TO WELCOME THE GOOD JUDGE.

**YOU** know, all tobacco users know that men want a real tobacco chew.

Everywhere men are saying to their friends that *the Real Tobacco Chew* is the goods.

A little chew of pure, rich, mellow tobacco—seasoned and sweetened just enough—cuts out so much of the grinding and spitting.

THE REAL TOBACCO CHEW IS NOW CUT TWO WAYS!!  
W-D CUT IS LONG SHRED. RIGHT-CUT IS SHORT SHRED.

Take less than one-quarter the old size chew. It will be more satisfying than a mouthful of ordinary tobacco. Just take a nibble of it until you find the strength chew that suits you, then see how easily and evenly the real tobacco taste comes, how it satisfies, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is *The Real Tobacco Chew*. That's why it costs less in the end. The taste of pure, rich tobacco does not need to be covered up. An excess of licorice and sweetening makes you spit too much.

One small chew takes the place of two big chews of the old kind.

“Notice how the salt brings out the rich tobacco taste.”
