Tilden's Dog.

At one of the early dog shows Samuel J. Tilden bought an immense Great Dane dog. "What's his name?" asked a visitor.

"Askim," said Mr. Tilden. "What good would that do?" "It's his name," was the reply. So it was—Askim.

The dog knew a number of tricks, but would only perform when fed. "He'd make a good politician," said his owner as he gave him a bone.—Exchange.

SELFISHNESS.

There is not and in the very nature of things there cannot be any real happiness coupled with selfishness. Even in ordinary, everyday life the unselfish people are the happiest—those who work to make others happy and who forget themselves. The dissatisfied people are those who are seeking happiness for themselves.—Besant.

A Startler.

A gentleman whose hearing is defective is the owner of a dog that is the terror of the neighborhood in which he lives.

The other day he was accosted by a friend, who said:

"Good morning, Mr. H. Your wife made a very pleasant call on us last evening."

"I'm very sorry," came the startling reply. "I'll see that it don't occur again, for I'm going to chain her up in future."—London Telegraph.

Effect of the Sun on Monuments.

The perpendicularity of a monument is visibly affected by the rays of the sun. On every sunny day a tall monument has a regular swing leading away from the sun. This phenomenon is due to the greater expansion of the side on which the rays of the sun fall. A pendulum placed inside, say, Nelson's column, in Trafalgar square, would be found to describe on every clear day an ellipse of pretty nearly half an inch in diameter.—London Telegraph.

State May Appropriate for Sour Grass Road.

(From the Tillamook Herald.)

Last week the Tillamook and Yamhill county courts held a joint meeting with the State Highway Commission in an endeavor to secure an appropriation from the state for the completion of the Sour Grass road next year. Judge Hare informs us that the prospects are quite favorable for an appropriation of \$20,000 for that work. The Tillamook and Yamhill courts will meet with the state engineers next week and make a survey of the proposition. The contemplated state appropriation will give the road a macadam surface.

We should receive some help from the state in regard to this matter. Tillamook County's state tax is exceedingly large and it is time that we should receive some of those considerations that have been accorded other localities.
