

# Home Department

MRS. FRANK TAYLOR, Editor

## If You Have a Good Thing Pass it Along.

Under this head we propose to inaugurate an exchange system of household helps and your favorite recipes. We believe you will be interested in this and ask your co-operation in making the Home Department of mutual helpfulness to the community.

The sponge cake and marshmallow desert recipes below were contributed by Mrs. C. T. Roosa, of Groveland, N. Y.

Yolks of three eggs, one cup sugar, one tablespoon hot water, one cup flour, one and one-half teaspoons baking powder, one-fourth teaspoon salt, whites of three eggs, two teaspoons vinegar. Beat yolks of eggs until thick and lemon-colored, add sugar gradually, continue beating, then add water, flour mixed and sifted with baking powder and salt, whites of eggs beaten until stiff, and vinegar. Bake thirty-five minutes in moderate oven in buttered and floured cake pan.

This is an easily made desert, called "Marshmallow Desert:"

Mince one-fourth pound fresh marshmallows, whip one-half pint cream, chop one-half cup English Walnuts. Stir lightly and serve in sherbert glasses with candied cherries.

### Chocolate Cups.

One cupful sugar, one teaspoonful butter, one egg, one cupful milk, one-fourth teaspoonful salt, three cupfuls flour, three teaspoonfuls baking powder, one-half teaspoonful vanilla, two table-spoonfuls cocoa, one-half teaspoonful cinnamon. Cream together the butter and sugar, add the egg beaten and the milk and vanilla. Sift together the

flour, salt and baking powder, and then beat into the mixture. Take half of this batter and beat into the cocoa and cinnamon. Fill buttered custard cups alternately with the white and the chocolate mixtures, and steam for an hour. Serve with whipped cream or hard sauce.

### Cleaning White Furniture.

White painted or enameled woodwork, iron beds or other white furniture, can be easily cleaned with turpentine and still retain the gloss which soap removes. Wet a soft cloth with turpentine, rub spots off woodwork, then rub dry with another cloth.

### To Renew Leather.

Leather that has become dark and shabby will look like new if rubbed over with linseed oil, then polished with a soft cloth until glossy.
