Dr. Wendt fits glasses. Tillamook, Ore.. I. O. O. F. Bld.

Conveniently Handy.

Tillamook's enterprising harness maker, A. W. Williams, has had installed in front of his place of business a public gasoline supply station. High grade gasoline, full measure and courteous treatment assured.

DR. J. G. TURNER EYE SPECIALIST.

Incorrectly prescribed glasses increase eyestrain, deform the eyes, and make of your later years a time of permanently dimmed vision. Such glasses are common enough, but are eye destroyers and the product of inexperienced opticians. On the other hand, correctly prescribed glasses save the eyes from strain, increase their usefulness for you, if you wear them the day of dimmed vision may never arrive. Such glasses are eye builders and are prescribed by long experienced eye specialists. Dr. Turner has had years of hard practical experience as an exclusive eye specialist. This is no side line, for he devotes his entire time, energy, and effort exclusively to the eye, coupled with being educated in the best schools and many years of experience makes him a safe person for you to consult. Consult him at the Hotel. Cloverdale Monday and Tuesday, June 19-20, Beaver June 21, Tillamook June 23-24.

Used to Lather.

BIG DAY AT CLOVERDALE JULY FOURTH

Cloverdale citizens are more enthusiastic over the coming Fourth of July this year than previous years. They have a right to be. The celebration here this year will be greater in every respect. The committees having the work in hand are doing everything they can to make it a hummer from start to finish.

As a patriotic feature of the occasion five large sewed American flags have been ordered. These flags will be given as prizes for the best decorated floats.

A committee comprising L. M. Kraner, Chas. Ray and the Courier editor, were driven to Beaver in an auto by Arba Stiverson Monday evening. The committee visited with the business men of that prosperous little burg and through these business men extended an invitation to the people of Beaver to join with the people of Cloverdale in celebrating the National Holiday. We believe the citizens of Beaver will be with us on the Fourth. An effort will be made to visit other places with personal invitations in the near future. However, if this committee does not get to see you, it is desired that you consider yourself personally invited.
