J. R. Bidgood and family returned home from the valley today.

A large and appreciative audience greeted Rev. Snyder at the Presbyterian church last Sunday evening to hear his lecture on "Sissies and Mollycoddles." The speaker's interpretation of the subject was different from the ordinary and gave his hearers much food for thought. Miss Snyder rendered two beautiful solos that were much appreciated. At the close of the service Rev. Snyder expressed his willingness to come again next Sunday evening and announced as his subject "Man is as His Mind is" and Miss Snyder will favor us with some special numbers. The people of Cloverdale are surely fortunate to obtain such a splendid speaker for so many services. Do not miss one of them.

TWO LECTURES
NEXT WEEK FRIDAY

Under the Direction of the State Hygiene Society—Some Things Everyone Should Know.

The State Hygiene society, of which Rev. Snyder is a member, will hold two meetings in Cloverdale next week Friday afternoon and evening. The afternoon meeting will be for ladies and the evening meeting for men.

While the meetings will be under the auspices of the state organization Rev. Snyder, who is spending his vacation at Beaver, will give the lecture, assisted by Dr. Robinson, of Tillamook.

It was arranged to furnish the Courier with some data on the subject, but the material did not arrive. The state society was organized for the purpose of disseminating literature and giving lectures that would inform the uninformed relative to the body and the sex. The meetings will be held in the church Friday, August 18, afternoon and evening. Funds for the maintenance of this society are appropriated by the legislature and the meetings are free.
