"CATCHING THE BIG ONES"

A Lecture You Cannot Afford to Miss—Program and Eats.

Rev. J. E. Snyder, who has so kindly treated the people of Cloverdale to some of the best sermons they have ever heard, has been prevailed upon to deliver a lecture here before his return home.

The lecture will be delivered in the church Monday evening, August 21, and the subject of the lecture will be "Catching the Big Ones." From the title of his subject and the fact that Rev. Snyder has been spending his vacation fishing the streams of Tillamook County, it can be inferred that he has something good up his sleeve to hand to those who come out to hear him.

There will also be a short program and the ladies of the church are going to celebrate the occasion by furnishing some good eats to make glad the inner man, and everything will be free.

All in all, it will be a get together meeting that no one can afford to miss. At the close of the meeting the subject of the indebtedness on the manse will be taken up and discussed.

Do not confuse this lecture Monday evening with the lectures tomorrow afternoon and evening under the direction of the Oregon Hygiene Society.

Rev. Snyder leaves shortly for his home in Pendleton, Oregon, and it will be our last opportunity to hear him.
