Yach-Dill Wedding.

At the pleasant home of S. H. Dill near the lonely little post office of Dolph as pleasant a wedding took place on December 3rd as one could wish to see when Mr. Dill's daughter Eileen and Clarence S. Yach were united in marriage by Dr. J. I. Montgomery, of Woods.

The unusual weather conditions, heavy winds and high water only seemed to add to the delight of the occasion as the minister, despite fallen logs that obstructed his way, arrived on time and in good humor and promptly said the magic words that made the happy couple one, sitting down at once to the tempting repast that the bride's mother had ready, but long before the keen appetites were satisfied other guests began arriving none the worse for their delay but smiling and very hungry. Soon after lunch Mr. and Mrs. Yach started on their wedding trip followed by the best wishes of their many friends.

We don't blame some men for refusing to take their own advice.
