Oddfellows Entertain.

One of the most enjoyable affairs that we have ever had the pleasure of attending took place last Saturday night when the subordinate lodge entertained the Rebekahs. About fifty guests were assembled in the lodge room where fun was piled up by the basketful.

At exactly the right hour all were invited to the banquet hall, where we found Frank Owens, Alex Imlah and Fred Murphy attired in big, white aprons and serving in quite the correct style. Clam soup made by the committee, was the best we ever tasted. Coffee, nectar fit for a king. The tables fairly groaned under their loads of good things to eat, and were most charmingly arranged, and spoke of the time and thought and work those brothers expended on their setting.

The Rebekahs were royally entertained and returned to their homes feeling that the evening had indeed been a success.

Rebekah Installation.

On Wednesday evening last the Rebekahs installed the following officers.

- N. G.—Thresa Arstill.
- V. G.—Eva Owens.
- Sec'y—Lela Gist.
- Warden—Millie Her.
- Conductor—Millie Sappington.
- Chaplain—Lizzie Lowrance.
- R. S. N. G.—J. R. Lowrance.
- L. S. N. G.—Lena Cochran.
- R. S. V. G.—Walter Churchill.
- L. S. V. G.—Lizzie Churchill.
- I. G.—John Imlah.
- O. G.—Fred Murphy.

After installation refreshments were served and a good time was enjoyed by all.

Worth Knowing

When dampening clothes that have become too dry for ironing use warm water. It penetrates more quickly than cold and less of it is required, so that the ironing may be begun sooner.

When ironing handkerchiefs begin ironing in the middle. Ironing the edges first causes the middle to swell out and makes it very difficult to iron and fold them properly. Test the iron on a piece of rag or paper to prevent any accident by scorching.

Mother-of-pearl should never be washed with soap, for it discolors and destroys the brilliancy of the shell. The right method of cleaning is with whitening and cold water.

To clean marble take two parts of soda, one of pumice and one of salt (all in powder) and mix to a paste with water. Rub this vigorously on the marble and wash off with salt water. Finish with clean cold water and a soft cloth.

Corn breads are always heavy when sweet milk is substituted for sour and the soda is not changed to baking powder.
