STATE ROAD BOND PASSES BOTH HOUSES

Up to the People to be Voted on June Second.

The state road bonding issue for \$6,000,000 passed both houses of the legislature before final adjournment and is submitted to the people to be voted on June 2.

This measure provides that the automobile taxes be doubled to take care of the bonded indebtedness.

In the program Tillamook County is to get 20 miles of hard surface providing the county prepares the road for such surfacing.

If Tillamook County votes to bond for \$412,000, which in all probability it will, and the state gives the aid referred to this county will be one wherein prosperity will have landed to make its permanent abode.

Lost and Found.

Ben Kuppenbender, editor of the Neskowin Times, agriculturist, silo manufacturer and manager of the Tillamook County Fair, was a Cloverdale visitor last week Thursday and Friday. Ben was down visiting the Meda people on Wednesday and started home just as the sun was lowering in the western horizon. Not being familiar with the roads in the south end of the county and being so thoroughly impressed with the beauties of an ocean sunset, he missed the way, and when he thought it was time to draw close to the village of Cloverdale he found himself in the suburbs of Neskowin, where he remained over night with one of our obliging ranchers. Mr. Kuppenbender is a silo enthusiast and proposes to give the people of the county an opportunity to purchase a silo that has all the advantages of the best silos made with none of the deterrent features.
