Correspondence Lessons in Harmony and Composition

BY

DR. ALFRED WOOLER

Composer, Teacher and Director

All musicians, whether director, teacher, pianist or vocalist should understand Harmony. Instruction in this branch of study should, whenever possible, be taken from an expert teacher. However, it is not always convenient, nor possible for one to leave town and study in person with such a teacher.

For the accommodation of such Dr. Alfred Wooler, of Buffalo, N. Y., has perfected a most thorough course in Harmony and Composition that is simple, concise and practical, which he teaches successfully by mail.

If interested, write for prospectus and rates.

Address

Alfred Wooler, Mus. Doc.

Suite C, 322 West Utica St.,
 BUFFALO, N. Y.

P. S.—Dr. Wooler also corrects amateurs' musical compositions, and writes music to poems. Those desiring such service must send their M. S. or poem for estimate of cost. Prices are reasonable.
