PUBLIC SALE

BEGINNING AT 10 O'CLOCK SATURDAY MORNING, OCT. 27. Sale to be conducted by J. S. Langhorne of Portland

Promptly at 10 o'clock Saturday morning, October 27th, I will throw open the doors of the HALTOM STORE on the biggest, most interesting and remarkable sale ever before held in this section. Many factories over the country are being commandeered by the government in order to furnish supplies for the army. This is bound to cause higher prices and a great scarcity of merchandise in these lines. This sale means a wonderful opportunity for the people to supply their wants at a great saving.

Respectfully yours,

J. S. LANGHORNE,

Manager of

LUCK HAS FAITH IN NAME

Automobile Driver, Hurt in Bad Spill, Asserts He Can Justly Claim Charmed Life.

There is much in a name, according to the physicians at a hospital where Anton Luck, a twenty-four-year-old farmer, was taken following an automobile accident, says an exchange.

Luck, who was returning home with a party of five other young men, was driving his automobile and had turned out when he realized he could not pass another automobile approaching from the opposite direction in time.

He drove his car up the bank at the side of the road, threw himself and his five friends out of the car

and when he reached the hospital he announced he could not be hurt, as he told the physicians he bore a charmed name.

Although the physicians said Luck had received a few score scratches and was severely bruised, no bones were broken, and the man seemed to be all he believed himself to be as far as the name went. His friends, who were shaken up considerably, were able to go to their homes.
