

# SAGE TEA DARKENS HAIR TO ANY SHADE

Don't Stay Gray! Here's an Old-time Recipe that Anybody can Apply.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Adv.

# URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a glass of Salts if your Back hurts or Bladder bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste, get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.—Adv.

**Half Bathrobes.**  
Two women were shopping in a Washington street department store. One stopped in front of a price card which read, "Half—Bathrobes."

"Well, what do you think of that?" she said to her companion. "Half bathrobes! Wonder if they cut them in two?"

"Well, if they do I don't want them. A whole one for me every time," replied the other woman.—Indianapolis News.

# A WOMAN'S BURDENS IN THIS WAR

Every woman's burdens are lightened when she turns to the right medicine. If her existence is made gloomy by the chronic weakness, delicate derangements, and painful disorders that afflict her sex, she will find relief and emancipation from her trouble in Dr. Pierce's Favorite Prescription. If she's overworked, nervous, or "run-down," she finds new life and strength. It's a powerful, invigorating tonic and nervine which was discovered and used by an eminent physician for many years in all cases of "female complaints" and weakness. For young girls just entering womanhood; for women at the critical "change of life"; in bearing-down sensations, periodical pains, ulceration, inflammation, and every kindred ailment, the "Favorite Prescription" will benefit or cure.

The "Prescription" contains no alcohol, and is sold in tablet or liquid form. Send 10c to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for large trial pkg.—Adv.

**LISTEN TO THIS!**  
**SAYS CORNS LIFT RIGHT OUT NOW**

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezone applied directly on a tender, aching corn or callous stops soreness at once and soon the corn or hardened callous loosens so it can be lifted out, root and all, without pain.

A small bottle of freezone costs very little at any drug store, but will positively take off every hard or soft corn or callous. This should be tried as it is inexpensive and is said not to irritate the surrounding skin.

If your druggist hasn't any freezone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.—Adv.

# War Recipes

Cut out the following recipes and paste them in your cook book to help you Hooverize. They have been thoroughly tested by instructors and special lecturers in the department of home economics at the University of Washington.

**Baked Lima Beans**—1 c dried lima beans, 1 pimiento, 3 tb olive oil or bacon fat, 1 small onion, ½ ts salt, 1 ts paprika. Soak the lima beans in one qt of cold water for several hours or over night. Drain off the water. Put the beans in an earthenware dish or covered casserole. Fry the thinly sliced onion and the pimiento cut in small pieces, in the oil or fat for five minutes. Add them to the beans. Add the salt, the paprika, and enough boiling water to cover the beans. Bake the mixture slowly until the beans are soft—about two hours. Add more water as it is needed. If the beans are cooked in boiling water after soaking in the cold water, they may be baked in one hour.

**Green Pea Leaf**—1 c dried green peas, 4 c cold water, 2 qt boiling water, 1½ c soft, stale bread crumbs, 1½ c milk, 1 ts salt, ½ ts pepper, ½ ts paprika, ½ ts grated onion, 1 egg, 3 tb fat—oleomargarine, beef drippings, or bacon fat. Soak the peas in cold water over night. Cook them in boiling water until they are soft. Rub them through a sieve. To one cup of this pea pulp add the bread crumbs, mild seasoning, egg (slightly beaten), and the melted fat. Turn the mixture into a small, greased bread pan. Set this pan into a second pan, containing water. Bake the mixture forty minutes, or until it is firm. Remove the loaf from the pan. Serve the loaf with plain cream sauce. One-half cup of cheese may be added to one and one-half cups of the sauce.

**Hooverized Shrimp a la Newburg**—1c shrimp, 2 tb oil (Mazola) or chicken fat, ½ ts salt, cayenne, 2 ts lemon juice, 2 ts cornstarch, ½ c milk, yolks of 2 eggs, 1 ts minced parsley, paprika, pepper. Cook shrimp three minutes in oil. Add seasonings and lemon juice and cook one minute. Remove shrimps and add flour and milk. Cook until thick. Add beaten yolks of eggs, parsley, and shrimp. Serve on buttered toast.

**Shrimp Salad**—1 c shrimps, 2-3 c finely cut celery, 1-3 c cooked salad dressing, lettuce leaves. Mix shrimp and celery together. Moisten with salad dressing, and serve on crisp lettuce leaves.
