SALTS IS FINE FOR KIDNEYS, QUIT MEAT

Flush the Kidneys at once when Back hurts or Bladder bothers.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—Adv.

War Recipes

Cut out the following recipes and paste them in your cook book to help you Hooverize. They have been thoroughly tested by instructors and special lecturers in the department of home economics at the University of Washington.

Washington Shrimp Salad—1 lb granulated gelatine, 1 c cold water 1 1/2 c vegetable broth (water from cooking celery or peas, etc.) or meat broth, 1 c shrimps, 2 tb lemon juice, 1 c cooked peas. Soak gelatine in cold water. Dissolve in hot broth and cool. Add shrimps, lemon juice and peas. When set turn out on lettuce leaf, and serve with mayonnaise. The meat broth is improved if cooked with bay leaf, 2 or 3 peppercorns and slice of onion, and strained before being used for the jelly. Chopped celery may be molded with shrimp in place of peas.

Risotto—1 c rice, 2 ts fat, 3 c canned tomato or 3 c broth, 1 ts salt, 1/2 ts pepper, 1/2 c chopped meat may be added. Turn the rice into a pan which contains the hot melted fat. Stir the rice until it assumes a golden tinge. If the rice is stirred with a fork the grains will not be broken. Add the broth or the tomato, which has been pressed through a sieve. Add the salt and pepper. Cover the pan. Cook the rice for twenty minutes. When well cooked it will be tender and all the liquid will be absorbed.

Italian Polenta—2 c corn meal mush, 1 c grated cheese, 1 ts salt, 1/2 ts pepper. Make the corn meal mush in a double boiler. Add the salt and pepper. Add the grated cheese. Cook it until it melts. Pour the mixture into a greased pan. When it is cold cut it into two-inch squares. Fry the squares in a small amount of fat.

Another method: Arrange a layer of the seasoned mush in a greased baking dish. Cover this layer with one-half of the cheese. Arrange a second layer of mush and cheese. Cover this layer with bread crumbs. Brown in a hot oven.

Cheese Fondue—1 c grated cheese, 1 c bread crumbs, 1 c milk, 1 egg, 1 tb fat, 1/2 ts salt, 1/2 ts mustard, 1/2 ts paprika. Mix the cheese, bread crumbs and milk in a double boiler. Cook this mixture until the cheese is melted. Add the beaten egg, the salt, mustard, and paprika. Cook till thick and perfectly smooth.

IF HAIR IS TURNING GRAY, USE SAGE TEA

Here's Grandmother's Recipe to Darken and Beautify Faded Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients for 50 cents a large bottle, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Adv.

"So you approve of the government's action in taking over the railroads?"
"Yep," replied Mr. Growcher. "I approve of that and prohibition for several reasons, one of them being that now a lot of people can quit lecturing on the subject and go to work."—Exchange.

SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out without a particle of pain or soreness.

This drug is called freezezone and is a compound of ether discovered by a Cincinnati man.

Ask at any drug store for a small bottle of freezezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callous.

Put a few drops directly upon any tender, aching corn or callous. Instantly the soreness disappears and shortly the corn or callous will loosen and can be lifted off with the fingers.

This drug freezezone doesn't eat out the corns or callouses but shrivels them without even irritating the surrounding skin.

Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezezone have him order it for you.—Adv.
