THURSDAY, MARCH 21, 1918.

Persons now blind will see clearly that they must cease any course of action which cripples the effectiveness of the boys at the front. They will understand that extravagance is indirect robbery of the government and treason to their own sons.

F. C. Baker, of the Headlight, Tillamook, is to be a candidate for joint representative. Fred is a booter worthy the name and as a representative in the Legislature Tillamook County would get all she is entitled to or something would be doing. The Courier will boost the Headlight editor and we believe Tillamook county will give him a big vote.

CARTOONISTS' WORK WILL BOOST THIRD LIBERTY LOAN.

The work of the foremost cartoonists of the country will be used during the sales of Third Liberty loan bonds. Drawings will be used in a wordless booklet and a daily cartoon service.

The booklet, containing all of the cartoons, will be distributed by millions. It will consist only of drawings. The cartoons will be divided evenly between afternoon and morning papers.

STRICT ATTENTION PAID TO MANUFACTURE AND SALE OF SHOES IN ENGLAND.

In England priority must be given to the manufacture of war-time boots over all but government work. The boots must be made of leather and to specifications approved by the director of raw materials; the manufacturer must stamp on the upper his registered number and on the sole the retail price, together with the words "war time."

The following are examples of styles and prices per pair: Men's heavy shoes, \$4.50; city clerks' shoes, \$3.87 to \$6.39; women's stout shoes, \$3.16; to \$4.20; woman's first grade glaze shoes, \$3.83 to \$5.96; boys' shoes, \$2 up; girls' shoes, \$1.87 up. Altogether there will be 39 types of war-time boots. The heels of women's shoes are not higher than 1 1/4 inches, but it is understood that war-time shoes represent in all particulars the manufacturers' idea of what the public desires.

He Gets Days of Comfort out of a pouch of Real GRAVELY Chewing Plug

Real Gravely Plug is such good tobacco (just enough sweetening to flavor), that a plug of Real Gravely lasts much longer than an ordinary plug, and gives the comfort and satisfaction of good tobacco.

Give any man a chew of Real Gravely Plug, and he will tell you that's the kind to send. Send the best! Ordinary plug is false economy. It costs less per week to chew Real Gravely, because a small chew of it lasts a long while.

If you smoke a pipe, slice Gravely with your knife and add a little to your smoking tobacco. It will give flavor—improve your smoke.

SEND YOUR FRIEND IN THE U. S. SERVICE A POUCH OF GRAVELY

Dealers all around here carry it in 10c. pouches. A 3c. stamp will put it into his hands in any Training Camp or Seaport of the U. S. A. Even "over there" a 3c. stamp will take it to him. Your dealer will supply envelope and give you official directions how to address it.
