Next Tuesday evening at Cloverdale hall a Fenelit Red Cross sale of aprons and fancy work will be held. A crate of strawberries has been donated and will be sold to the highest bidder. The society will appreciate donations of all kinds of fancy work, crochet lace yokes, dollies, handkerchiefs, aprons, bags, pillow tops, etc., for this sale.

The ladies of the Red Cross society gave a surprise dinner in honor of their retiring work chairman, Mrs. Shearer, last Tuesday. About 30 ladies and Mr. Ray were present. As a token of appreciation for her splendid services Mrs. Shearer was presented with a lovelliere and chain and a bottle of perfume in an ivory standard, a beautiful crocheted centerpiece and other small gifts.

District Attorney E. K. Prasecki and family, of Dallas Oregon, were Cloverdale visitors Monday. Mr. Prasecki drove in over the Little Nestucca road with an automobile, preferring that road on account of shortening the distance to the coast. It has been generally considered that the Little Nestucca road was closed to travel, especially with automobiles. He tells us he met quite a number of machines on the road.

H. B. Lockwood closed a deal Saturday, selling his ranch at this place to a Mr. Snyder, of Portland. Mr. Snyder will remain here with Mr. Lockwood to the first of next month, when he takes full charge. Mrs. Snyder is at present in Portland getting affairs arranged to move here. This deal was made through the Taylor Real Estate Agency. Mr. and Mrs. Lockwood have not fully decided just what they will do, but it is thought they will move to Portland.

Letter to Mr. Ray From Sam.

France, May 21, 1918.

Dear Uncle Charlie:

Well, summer has reached France at last, and a few of us hit the river to cool off a bit. Just last Sunday McCabe and I went fishing, but our luck was not like we have had in Cloverdale. We fished for about two hours and then went in swimming. Mack is quite thin and he is pretty sore to think that he can't float like he used to a year ago, and says that in due time he will be thinner than I am.

My friend and Mack are going out this evening, but for me I am on the sick list for a few days, due to eating too much Swiss cheese.

We have fairly good times here, while going to school—after 4 p. m., and on Sundays. Will be able to see things as we get paid. No pay day since March, tough, isn't it?

I can safely say that I believe I am getting fat "over here." I weigh 139 pounds and have one thing to boast of, that I have not answered sick call since I landed on foreign soil—good, isn't it? It is sure warm here where we are located and reminds one of Kansas, perhaps due to heavy fighting.

Say, why not send us a Cloverdale Courier? We will assure you we will appreciate it.

Well, I will close and get ready for school. It is now 8 a. m.

Give my regards to all, and with best wishes to you.

Sam Ray,
Batt. C, 65th Art., A. E. F.

Pranks of a Ford.

The picnic at the river Friday evening given by the high school students came very near ending in a very serious manner.

One of the cars after it was cranked up broke away before the driver could get into it and started away; it was headed away from the river but after starting made a complete turn and ran down the bank onto the bar, there it made another turn and ran into Professor Titus knocking him down and then ran over him after which it struck John Campbell and Oscar Richards. Oscar sustained some cuts and bruises on the head while John was considerably bruised about the body; then the car made another turn striking Miss Laura Ross and Arlene Jones, running over Miss Ross' neck and Arlene's knee.

Owing to the nature of the bar which was mostly soft sand the unfortunate suffered only cuts and bruises, which if it had been hard ground or a larger car no doubt the accident would have been appalling.

All that were hurt are out and around and outside of feeling a little sore from their experience are feeling fine and claim that it takes more than a Ford to put them out of business.—Amity Standard.

Back Up Uncle Sam

By Buying War Saving and Thrift Stamps to the Limit.

For the balance of this month we are giving this space and one of our show windows in boosting the sale of War Saving and Thrift Stamps.

This state is still short on its quota. Prepare to do your bit in the next two weeks in loaning Uncle Sam your spare quarters. Buy a Saving Stamp and if you can't buy a Saving Stamp buy a Thrift Stamp is to be the slogan and again put Oregon over the Top.

WM. A. HIGH,
DRUGGIST AND STATIONER
Cloverdale, Oregon.

Notice.

It has come to my notice that there is a report current that I do not practice surgery, that my practice is only that of medicine. In correcting this erroneous statement I wish to state that I am competent and am prepared to do surgery as well as practice medicine. Thanking the people of Cloverdale for the past courtesies and patronage I remain as ever

Yours truly,
Dr. J. E. LeFevre.

Warning

To the people of Tillamook County, the codlin moths are making their nests in tree and bush and unless destroyed now, will later destroy what you and I need. Take old papers, matches and string with you so you can reach their nests and all hands will soon clean them out, is the advice of a stranger.

The New GRANT SIX Now Coming

This is the largest and finest car that ever carried the GRANT SIX name plate—a car that is without real competition in its Price class.

The individual beauty of its lines, its unusual size and its extraordinary mechanical refinement, will make this new model one of the most talked of cars of the coming season.

Its powerful, flexible and remarkably smooth-running engine is of the overhead valve type with balanced crankshaft, forced-feed oiling and many other advanced features.
