The Red Cross entertainment of last Tuesday evening was a splendid success and once more demonstrated the liberality of the people in and around Cloverdale when a worthy cause is presented. A very short program was given and with a few well chosen remarks by Mr. Kraner the real business of the evening began—selling fancy work, canned and fresh fruit, soft drinks, a ham and other things that were donated for that purpose. The fish pond proved a very interesting and amusing feature for old and young. Numbers were sold on two crates of berries, Mrs. Lee Affolter and Glenn Taylor were the lucky ones in drawing. Generous donations were made by everyone in supplying articles to be sold and everything sold at good prices. A number of cash donations were also made. The largest being \$15.00 from Mr. Honey. The society wish to thank everyone who contributed in any way to the success of the affair. The net proceeds were \$175.25.

Card of Thanks.
We wish through this means to thank kind friends and neighbors who assisted us during the recent illness and death of husband and father.

Notice.
It has come to my notice that there is a report current that I do not practice surgery, that my practice is only that of medicine. In correcting this erroneous statement I wish to state that I am competent and am prepared to do surgery as well as practice medicine. Thanking the people of Cloverdale for the past courtesies and patronage I remain as ever
Yours truly,
Dr. J. E. LeFevre.

Mr. McGinnis Passes Away Saturday.

One of the best known and most liked citizens, of Cloverdale, after an illness of several months, passed away last Saturday at noon.

Mr. McGinnis resided with his family on a ranch between Cloverdale and Hebo for several years, but failing health caused him to sell his ranch and purchase a homestead and a small acreage in Cloverdale, where he spent the last two years of his life.

Mr. McGinnis was a painstaking man, who kept everything up in the very best condition. As a result he was exceedingly successful. He was liberal in his views, kind hearted and a man all were pleased to call their friend. He believed in living within his means and was minutely particular to meet his obligations financially and otherwise.

In the death of Mr. McGinnis Cloverdale loses a highly respected and honored gentleman.

OBITUARY.

James Jefferson McGinnis was born in the state of Illinois, April 26th, 1857 and died June 15th, 1918 age 61 years 1 month and 29 days. His parents were among the earliest pioneers of this county having moved here in 1871. In November 1893 he was married to Jessie Mager, at Mager Oregon, to this union two children were born, Roland and Webb McGinnis. Roland is living at home, Webb is serving in the U. S. army in France.

Besides his wife and two sons he is survived by one brother, Henry McGinnis, of Sprague, Washington, and four half brothers, William Farmer, of San Francisco, California, H. M. Farmer, of Beaver, Oregon, Otis Farmer, of Vancouver, Washington, and one half sister, Mrs. Eliza Meyers, of Sacramento, California.

WOODS ITEMS.

Adam Babcock was a Tillamook visitor last Wednesday.

Mrs. Louis and daughters and friends, of Sheridan, are spending a few days at Pacific City.

Boxes, and more boxes, they are beginning to make them down there. Mr. Beals improved his last few days of the mill by putting a large force at this work.

Mr. Beals is shipping out his aeroplane lumber by truck this week.

Mr. Lally, the U. S. inspector, is seeing that nothing leaves but can fly. There is quite a little responsibility on the inspector. A little cross grain or defective spruce means the death of one of our boys.

Lea Shrader, from Marcola, has taken charge of the Pacific City mill for the new owners.

L. A. Northrup and H. Carlson are remodeling Mrs. Beldings house.

Mr. Northrup has moved from Pacific City into D. F. Colliers house, at this place.

Quite a crowd gathered at Pacific City hall last Sunday night to hear about "The Kaiser in Prophecy" and were promised that the next talk would be "How to Advert Earths Great Catastrophe."

Rev. Carlson will speak in the Mission Thursday evening.

Mr. Beals is making quite extensive preparations for the campers this season.

Mr. Fillman, of Eugene, has rented the house formally occupied by Mr. Hostettler.

OLD MAN HARRIS

Editor of the Oil and Mineral Journal of Billings, Mont., will give you straight "tips" about oil and mining companies free, and send you sample copy of his 16-page illustrated paper for the asking. Scores of his subscribers have made \$400 on a \$100 investment and upwards, by following his advice. Don't buy in any company until you write him about it—he knows who is reliable and those who are not. Write Dun's or Bradstreet's as to what they think of Old Man Harris and his reliable information to investors.—Adv.

Back Up
Uncle Sam

By Buying War Saving
and Thrift Stamps
to the Limit.

For the balance of this month we are giving this space and one of our show windows in boosting the sale of War Saving and Thrift Stamps.

This state is still short on its quota. Prepare to do your bit in the next two weeks in loaning Uncle Sam your spare quarters. Buy a Saving Stamp and if you can't buy a Saving Stamp buy a Thrift Stamp is to be the slogan and again put Oregon over the Top.

Ship on Girl's Back Bar to Society.

A ship on a girl's back is a bar to her entrance into society, according to State Senator Alfred J. Gilchrist, of New York city. The senator declares that a Brooklyn girl is barred from society because, when ten years old, a ship was tattooed on the girl's back. She cannot wear a fashionable, low-neck dress because of the spreading sails across the ocean on her back. The senator, therefore, asks for a law imposing a fine of \$500 for any one who mars a young woman's beauty.

The New
GRANT SIX
Now Coming

This is the largest and finest car that ever carried the GRANT SIX name plate—a car that is without real competition in its Price class.

The individual beauty of its lines, its unusual size and its extraordinary mechanical refinement, will make this new model one of the most talked of cars of the coming season.

Its powerful, flexible and remarkably smooth-running engine is of the overhead valve type with balanced crankshaft, forced-feed oiling and many other advanced features.
