Make more Money Pull big stumps by hand

Clear your stump land
 cheaply—no digging, no
 expense for teams and
 powder. One man with a
 K can rip out any stump
 that can be pulled with the
 best inch steel cable.

Works by leverage—same
 principle as a jack, 100 pound
 pull on the lever gives a 48-ton
 pull on the stump. Made of the
 finest steel—guaranteed against
 breakage. Endorsed by U. S.
 Government experts.

P. N. U. No. 35, 1918

Packers' Profits Are Regulated

The public should understand that
 the profits of the packers have been
 limited by the Food Administration
 since November 1, 1917. For this pur-
 pose, the business of Swift & Company
 is now divided into three classes:

Class 1 includes such products as beef,
 pork, mutton, oleomargarine and
 others that are essentially animal
 products. Profits are limited to 9
 per cent of the capital employed in
 these departments, (including sur-
 plus and borrowed money), or not
 to exceed two and a half cents on
 each dollar of sales.

Class 2 includes the soap, glue,
 fertilizer, and other departments
 more or less associated with the
 meat business. Many of these de-
 partments are in competition with
 outside businesses whose profits
 are not limited. Profits in this class
 are restricted to 15 per cent of the
 capital employed.

Class 3 includes outside investments,
 such as those in stock yards, and
 the operation of packing plants in
 foreign countries. Profits in this
 class are not limited.

Total profits for all departments
 together in 1918 will probably be
 between three and four per cent on
 an increased volume of sales.

The restrictions absolutely guar-
 antee a reasonable relation between
 live stock prices and wholesale meat
 prices, because the packer's profit can-
 not possibly average more than a
 fraction of a cent per pound of product.

Since the profits on meat (Class 1)
 are running only about 2 cents on each
 dollar of sales, we have to depend on
 the profits from soap, glue, fertilizer
 (Class 2, also limited) and other depart-
 ments, (Class 3) to obtain reasonable
 earnings on capital.

Swift & Company is conducting
 its business so as to come within these
 limitations.

Swift & Company, U. S. A.

Heredity.

Some people never get over their
 birth and raising. The higher in a
 tree a monkey climbs the more of a
 monkey he becomes.—Paterson Call.

Keep Out the Dust.

Have window shades that will run
 up and down over your pantry shelves
 and a lot of dust will be saved.

Tradition holds that a morning rain-
 bow is a sign of rain and an evening
 rainbow a sign of fair weather.

A WOMAN'S HEAD

is level and her
 judgment good
 when she puts
 her faith in Dr.
 Pierce's Favor-
 ite Prescription.
 There is no beau-
 ty without good
 health. Nobody
 expects to become
 really beautiful
 from the use of
 complexion beau-
 tifiers.

Bright eyes,
 clear skin, and
 rosy cheeks, fol-
 low the use of the "Prescription."
 All women require a tonic and nerve
 at some period of their lives. Whether
 suffering from nervousness, dizziness,
 faintness, displacement, catarrhal in-
 flammation, bearing-down sensations, or
 general debility, the "Prescription" is
 sure to benefit. In tablet and liquid form.
 Dr. Pierce's Pellets were first put in
 ready-to-use form nearly 50 years ago,
 and will always relieve the inactive liver
 and biliousness. Insist on getting Dr.
 Pierce's Pleasant Pellets—there is none
 so good.—Adv.

ADDED EARNINGS

 west's biggest business college over-
 whelmed by calls for trained young men
 and women. Enroll now. Take a course
 and a position assured. Stenography tele-
 graphy, accounting, shorthand, banking,
 secretarial etc. Write for catalogue.

THE JOY OF MOTHERHOOD

Came to this Woman after
 Taking Lydia E. Pinkham's
 Vegetable Compound to
 Restore Her Health

Ellensburg, Wash.—"After I was
 married I was not well for a long time
 and a good deal of the time was not
 able to go about. Our greatest desire
 was to have a child in our home and one
 day my husband came back from town
 with a bottle of Lydia E. Pinkham's Vege-
 table Compound and wanted me to try it.
 It brought relief from my troubles.

I improved in health so I could do my
 housework; we now have a little one, all
 of which I owe to Lydia E. Pinkham's
 Vegetable Compound."—Mrs. O. S.
 JOHNSON, R. No. 3, Ellensburg, Wash.

There are women everywhere who
 long for children in their homes yet are
 denied this happiness on account of
 some functional disorder which in most
 cases would readily yield to Lydia E.
 Pinkham's Vegetable Compound.

Such women should not give up hope
 until they have given this wonderful
 medicine a trial, and for special advice
 write Lydia E. Pinkham Medicine Co.,
 Lynn, Mass. The result of 40 years
 experience is at your service.
