### K. of P. Lodge Incorporates

Articles of incorporation were drawn up last week for the incorporation of the local K. of P. Lodge. This is another step in advance for this progressive and rapidly growing order. The new hall is nearly ready for occupancy the principal thing lacking now being paint which will be applied in large quantities. The Irvine Lodge of the K. of P's. is among the best of the order in the state and deserves great credit for what they have accomplished.

### Planning Improvement

Frank Clarke, the hustling grocer and confectionary man of Richland has under contemplation the addition of large display windows in front of his store. As soon as the windows arrive they will be installed, also in the cream parlor a row of booths will be arranged with table and comfortable seats for two.

### GREAT PITCHERS BATTLE RESULTS in two to one Eagle Victory

Eagleites-2 Pine Knots-1  
Sunday afternoon witnessed the greatest exhibition of fast base ball ever pulled off on the local diamond. From start to finish it was a pitchers battle between Sheridan, Eagle's star twirler and Olson the snappy southpaw. If the visitors, both men being on there mettle and pitching shutout ball from the start to the finish and if anyone should ask you there was some support behind both pitchers, while to be sure there were errors made, they were made where they did not hurt except in two instances, the first being when Pine made their lonely tally on a bad throw and the other one being when Sheridan romped home with the winning run on an overthrow at home by Olson. Aside from this the game was air tight, each team being on their mettle and playing the game for all there was in it.

Steight made a few fancy catches in the field.

Olson was touched up for four safeties, all being submitted for approved by Cecil Saunders, the third sacker of the Eagleites while Sheridan was only safely hit once this being a third base bingle by Irwin, second sacker for the Pine Knots.

The line-up of the Eagleites was changed considerably, G. Evans, E. Staight; and D. Saunders officiating in the places of Reddick, Gray and Connall.

Conrad Steelman opened on the mound for the Eagleites but retired in favor of Sheridan after pitching about a half an inning. Sheridan faced the odds of having three men on bases when he took charge of the mound but succeeded in retiring the side in

A fire which occurred at Robinette last Saturday night about eleven o'clock completely destroyed the building occupied as a restaurant and inflicted considerable damage on the property of Mr. Keller which is occupied as a general Merchandise store. By strenuous efforts on the part of the residents, who kept four or five garden hose plied on the blaze they succeeded in preventing the spread of the blaze. Whether any insurance was carried on the restaurant property is not known.

one two, three order, allowing no one to cross the plate. Pine had three new men in their line-up.

Chandler made some star plays

### DIAMOND DUST

Chandler is credited with being the best infielder on the Eagleite team and there is no doubt about him deserving that honor. If the tall lad keeps on he will some day make league timber.

Cecil Saunders is playing the game in great form this year as is manifested by the fact that he secured four safe bingles off of one of the hardest pitchers the Panhandle supports.

George Evans hit the pill continually but try as he would was unable to get to first, one of Olsons greatest traits is his habit of keeping the hits well scattered and mostly on the infield.

Bennett will have to change his tactics every time he goes to bat the fielders make a hot foot for Richland and somewhere on the way succeeded in grabbing out of the air, hits that would be good for three bases.

A happy improvement in the local team is their new way of talking up the game. Nothing helps as much in a game as for the team to continually keep talking in an encouraging manner, it breaks the strain on tight strung nerves and keeps all of the boys encouraged.

Ray Irwin, Pine Knot second sacker, was on the job Sunday (continued on page 4)

### Revivalist Have Very Successful Profitable Revival Meeting

The great revival meeting, under the leadership of the Hamilton Brothers, evangelist, closed Sunday evening in the midst of the greatest revival upheaval ever witnessed in Eagle Valley, according to the testimony of persons who have lived here for twenty five or thirty years. The crowd that gathered at the church Sunday night to witness the closing service, was by far the largest one ever gathered to a religious service in this community, although the crowds had been large all the way through. Not only was the church auditorium proper filled to overflowing, but the Sunday school and League rooms were thrown open and every seat taken. Chairs were then secured and all the seating room taken, and yet the crowd surged for entrance. Unable to find accommodations on the inside, several persons hung about the doors and windows to see and hear. Near the close of the services 22 persons were finally re-

Two games of baseball are scheduled for Saturday afternoon and Sunday afternoon between Weiser and the Eagleites. Steps are being taken to make this the best baseball attraction of the season. All business houses will be asked to close for two hours Saturday afternoon for the game in order to allow everybody to go out and enjoy themselves. Arrangments will be made to accommodate the great crowd expected to the two games and seats will be furnished to all.

Weiser has a strong aggregation and the local boys will have to go some to take their measure however with Sheridan in the box they expect to make Weiser know that Eagle has some team. Pine refused to take the Saturday game so Eagle rose to the situation in true sport like manner and decided to play the two games here. The Weiser team will arrive Saturday and return Monday. Saturday night a big social dance will be held to help pay expenses and everybody is asked to turn out and help the team.
