CHILDREN'S PROGRAM BEST GAME OF THE FIRE AT ROBINETTE GREAT REVIVAL MEETING WEISER IS COMING

There will be a Children's Day exercise at the Methodist church this afternoon, beginning at 5:30 o'clock. The Sunday School of the Christian and the Methodist church have united in this program, which will be all the more complete and interesting on that account. The public is invited. The following program will be rendered:

Program by the pianist.
Prayer, by the pastor.
Prayer Resolved, by the pietists.
Recitation, by Miss Mull.
Recitation, by Very Reid.
Recitation, by Eva Her.
A. W. Stevens, by verse jokes.
Eagle's star pitcher and the young southwester.
If the visitors, both men being on the same side, pitched a5 inch ball from the start to the finish and if anyone should not just there was some support behind both pitchers, but while there were enough, it were made sure they did not hurt except in two instances, the first being when Pine made his lonely tally on a bad throw and the other one being when Sheridan romped home with the winning run on an overthrow at home on Olson. From the base the rase was tight, each team being on their mettle and playing the game for all there was in it.

Great Pitchers Battle Results in two to one Eagle Victory

Eaglelettes 2 Pine Knots 1

This fire which occurred at Robinette last Saturday night about eleven o'clock completely destroyed the building occupied as a restaurant and inflicted considerable damage on the property of Mr. Miller which is occupied as a general merchandise store. By strenuous efforts on the part of the residents, who kept four or five garden hose poles on the block, they succeeded in preventing the spread of the blaze. Whether the restaurant property is not known for sure, but there were one two, three, gorers, nore to one cross the plate. Pine has three new men in their line-up.

Whether the restaurant property is not known for sure, but there were one two, three, gorers, nore to one cross the plate. Pine has three new men in their line-up.

Two games of baseball are scheduled for Saturday afternoon and Sunday afternoon between Weiser and the Eagles. Steps are being taken to make this the best baseball attraction of the season. All business houses will be asked to close for two hours Saturday afternoon for the game in order to allow everybody to go out and enjoy themselves. Arrangements will be made to accommodate the crowd expected to the two games and seats will be furnished to all.

Weiser has a strong aggregation and the local boys will have to go some to take their measure however with Sheridan in the box, they expect to make Weiser know that Eagle has some team. Pine refused to take the hardball Saturday noon so Eagle runs to the situation in its specificities and managed to play the two games there.

The Weiser team will arrive Saturday and Sunday and Saturday night a big social dance will be held to help pay expenses and everybody is invited to turn out and help the team.

To those who are wondering what the up and coming has been, the following table of expenses and bills is submitted.

KofP. Lodge Incorporates

Articles of incorporation were drawn up last week for the incorpora-
tion of the KofP. Lodge No. 109. This is another step in advance for the organization of this lodge.

Planning Improvement

Frank Clarke, the bustling grocer and confidant of Richard has under contemplation the addition of large display windows in front of his store. As soon as the windows arrive they will be installed, also in the rear of the store and will be arranged with table and comfortable seats for two.

SIX PERCENT FARM AND CITY LOANS may be obtained to repay mortgages, remove encum-
brances, and to buy any property at a very fair rate. A complete and detailed statement of the property involved is required and a complete agreement signed by the parties concerned. Application may be made to A. G. General Agency, 707 San Francisco, California, or 410 Fiskian Blvd., San Francisco, Calif.

DIAMOND DUST

Chandler is credited with being the best infielder on the Eagle team and there is no doubt about him deserving that billing. If the tall led-ball he will some day make league timber.

Cord Saunders is playing the game in great form this year as is manifested by the fact that he secured four safe bingles off of one of the hardest pitchers in the Panhandle region.

George Evans hit the pill continually but try as he would was unable to get to first. One of Olon's greatest traits is his ability of keeping the hits well scattered and mostly on the infield.
