EAGLE TO HAVE CHEESE FACTORY SAYS JENSON

The following extract from a letter from H. F. Jenson, of the Jensen Creamery Company may prove of great interest to the dairymen of Eagle Valley and the NEWS publishes it for your benefit, it explains just how the situation stands here between the Jenson people and the cheese business.

Salt Lake City, July 31, 1914.
Mr. Wm. L. Flower, Editor,
Eagle Valley News,
Richland, Ore.

Dear Sir,
I have your letter of July 25th. We are interested in the development of the dairy business in Eagle Valley, and must say you have one of the most beautiful valleys that I ever saw in my life. And yet it is some distance re-

moved from the railroad and from the markets in general, so that it is well for your people to concentrate their attention on dairying, stock raising, the canning of fruit etc.; in fact, those things that can be concentrated into a product of considerable value on which the transportation is not expensive.

Of course, your people are now producing a great deal of cream and you know, we have a plant in Richland that is practically standing idle and I can say to you that we plan to open this plant for cheese making and it will be done sometime before the first of March, 1915. We are making now quite a quantity of cheese in Pine Valley of an excep-

tionally fine grade and we are developing a market for that cheese and have had no trouble in selling it. It seems now that we might also find a market for cheese from Richland, you might say, immediately.

I shall send your letter to Mr. Frank Wallington, our manager at Baker, Ore., who has direct charge of this business in your valley and also in Pine Valley, and undoubtedly, Mr. Wallington will see you before long and will make a proposition to your people.

Thanking you for writing me, I remain

Yours very truly
H. F. Jenson
President

AUTHORITIES VISITED RICHLAND SUNDAY

Early Sunday morning the unexpected happened when, Sheriff Ed. Rand and Deputy Sheriff Jackson, Constable Walter Palmer and District Attorney C. T. Godwin appeared in Eagle and proceeded to turn things up side down in an effort to locate unlawful booze. They invaded and searched all establishments, both in New Bridge and Richland where it was thought that this liquor might be kept and as a result made several arrests.

Jim Downing, Dick Dillard, Ashby of New Bridge, and Chas. Kellor of Cornucopia also Mrs. Kellor were all placed under two hundred and fifty dollar bonds to appear Monday and answer the charge of unlawfully selling booze in a dry territory.

It is understood that spirits were found in the soft drink establishment at Richland and also a government licence. At New Bridge no booze was found but a government license was in evi-

dence. One or two other places were searched but no evidence was found of a nature sufficient to secure a conviction.

This visit is only a natural outcome of the recent investigations of the internal revenue officer who was followed all around the town by two detectives, who so far as any one knew, secured no evidence though from the last visit of the county authorities, it is plainly evident that they must have at least got onto some well grounded suspicions.

New Bridge and Richland have been under suspicions for some time, it being evident that booze was being sold somewhere in these places, this seemed to be generally known, but where it came from, no one could tell, whether they have yet the right parties in all instances, yet remains to be seen but they have at least acted and from all outward appearances, New Bridge and Richland will from now on be free from liquor.

YOUNG MENS CLASS ENTERTAINED

The young mens' class of the Methodist Church Sunday School entertained the young ladies class of the same, at the league room of the church last Friday evening. A number of games were played and greatly enjoyed by those present. Refreshments consisting of ice cream and cake were served, the young men acting as waiters and aside from forgetting to fold the napkins, they did very well. After this songs were sung by the assembled guests and several spoke the first piece they ever spoke. On motion, the meeting adjourned until that fortunate time (soon) when the girls class will have to entertain

Miss Nina Moulton and Merle Simonis, Willie and Carl Carnahan, Levi Ewing, E. Beard and Claude Duke, all of New Bridge went to Powder river to attend a dance given in the new school house near Claude Bennett's place one night last week.

Mrs. Lizzie Connall and son Doyle, Mr. and Mrs. Chum Ewing and George Ashby made a trip to the mountains last week to pick strawberries from Wm. Ewing's homestead, returning Sunday.

Mrs. Lena Wright and twin boys were down from Sparta last week.

Leonard Jones of New Bridge is working at the Perry and Jelands sawmill on Summit creek.

ATTENTION

A meeting to consider a Harvest Home Festival will be held in the City Hall, Richland, Friday night at 8:30. Every body who has Eagle's interest at heart is urged to be present.

Farewell Dinner

Mrs. J. F. Herr gave a farewell dinner last Sunday, for Harry Herr, who on Thursday left for Salt Lake where he expects to begin his life career as a self supporting man. The time had come when he thought it time to tackle the old world and all his friends are certainly hoping that he makes good. The dinner was served to Harry's most intimate friends and was a great success. Those present were, Allen Wright Cecil Saunders, Curtis Herrington, Fred Beljian and Wm. L. Flower.

To make room Leonard Goss of New Bridge can spare 6 young Registered Jersey Cows or 6 heifer Calves for sale but not both come and see them. (38-59. Adv)

PYTHIAN SISTERS ENTERTAIN K. OF P.

The Pythian Sisters of Richland, Oregon, entertained the K. of P. in their new home on the evening of July, 30, at which time the lodges property was moved over and placed in their property rooms, after which ice cream and cake was served.

The Pythian Sisters presented eighteen (18) nice chairs for use in the lodge rooms. These chairs were badly needed and very much appreciated. A vote of thanks was extended to the Pythian Sisters for their splendid gift.

As the NEWS goes to press comes the news of the arrest of Fred Saunders on a charge of stealing liquor held at Geo. Sanders place as evidence in the recent liquor investigations in Richland.

JIM DOWNING VERSUS FRANK MCCARROLL

Jim Downing and Frank McCarroll will meet at the Gymnasium Saturday, night this being the second match with these two as principals, the last one going to McCarroll. Jim believes he can win against the "Boxing Cowboy" and has been in training for the event. As a preliminary, six rounds are scheduled between Ira Corson of Halfway and Walter Jones of Richland. The hand may play. A good fast exhibition is expected and no doubt a good sized audience will be on hand.

Weekly Picture Show

Richland will have motion pictures once a week from now on if things go right. Prof. Parker has arranged to give his show, an entirely new one each week, on Thursday of each week. He has built a concrete foundation for his engine, at the hall and this will make the light more steady. He uses electric lights and generally is credited with having a good show. Mr. Parker is instructing the Eagle Valley band.
