Painting Up

Main Street in Richland is getting to be quite a good looking street since nearly all the buildings have been freshly painted. The Gover building, in which is located the Home Bakery and Restaurant and Dr. Sanders office; and T. J. Reddick's Barber Shop are the latest to be painted a nice white. So many buildings have been painted white, on Main Street that it will soon be known as "The Great White Way."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietor

Pine Man in Germany

Armed with American express travelers' checks, Fred Koopman is doing Germany, or was when last heard from. No word has been received from Mr. Koopman since the opening of hostilities but it is believed that he is getting along all right. He had been in the Fatherland about two months before the war broke out.

Motion Pictures To-night

Parker's regular weekly show takes place tonight at the Opera House. Electric lights, pictures that can be seen as plain as life no flicker. The machine projects a picture, life size, and there is no trouble in seeing them for they appear before you just the same as every day life. (Adv)
