**MRS. ABIGAIL SCOTT DUNIWAY  
ISSUES AN OPEN LETTER  
TO THE PUBLIC**

It has been brought to my attention that the Anti-Saloon League, following the same tactics it has followed in every campaign heretofore, is trying to besmirch this organization and to carry on a vicious campaign of untruths. No name seems to be too good to be dragged into the mud by them. I have reliable information that a statement has been made to the Anti-Saloon League and to the Committee of One Hundred by Mrs. Cora C. Talbot, former secretary of the Taxpayers' and Wage-Earners' League, that she was brought into this work by me under the impression that it was a Women's Suffrage movement, and her duties would be those of a physician while I made speeches throughout the state. I also understand that Mrs. Talbot makes the statement that funds have been collected without authority, and in some way the Brewers' Association has been collecting these funds. These two statements are absolutely untrue. The collection of funds was authorized by me as president, and the secretary was ordered to have a letter sent out in connection with this work. I understand that Mrs. Talbot, in this purported letter, in the hands of the Anti-Saloon League and the Committee of One Hundred, states that she objected to the raising of funds under her signature as secretary. How did the good lady think the work of this league was to be carried on? Why did she think Mr. Bortzmeyer, cashier of the Scandinavian-American Bank, was appointed treasurer of this league? Did she think we would ask the brewers to put up the money surreptitiously? If so, she reckoned without her host. I have always fought in the open, and now, in my 80th year, and probably in my last campaign, I do not intend to change the principles I have always fought for, nor depart from my honesty of purpose in advocacy of equal rights for all the people--by no means excluding women, for whose interests I have spent my life to obtain the ballot. My chief concern in their behalf has always been to secure for them their economic independence, as married mothers within the home, which alone will enable any woman to quit the business of marrying inebriates or raising drunkards. The moneys collected are in the hands of Treasurer Bortzmeyer, and all those who have donated have received a letter acknowledging receipt thereof. Any one so desiring may inquire from our treasurer as to whether the money has been put in his hands, and I am quite sure he will advise them of receipt of their donation. If there is any one who has paid their money into this organization under misapprehension as donation for carrying on this work, this league will be only too glad to refund it.

It is indeed strange that Mrs. Talbot thought this was a Suffrage movement when she went to the Portland Hotel, engaged the dining-room for our first luncheon for organization and arranged for the payment of this luncheon, and went so far as to get speakers to express their views against Prohibition.

The real break between Mrs. Talbot and myself was caused when I found out that she had gone to the Brewers' Association and told them she could be of good service to them in connection with this league, and asked and received a salary from the Brewers' Association on the ground that she was putting in her time and needed the money. On the 26th of August a meeting was held between Mrs. Talbot and myself for the purpose of getting matters straightened out before starting the general organization. At this meeting a statement was signed by myself as president and Mrs. Talbot as secretary that the two letters sent out by myself, as well as the letter sent out by the publicity department, were approved. This statement ended with the sentence: "After discussing generally the affairs of the league, the officers ratified all work that had been done up to date by the publicity bureau and officers of the association."

I have lived in this state for 60 years, during all of which time I have toiled and worked for the people of my state, and I am willing to leave it to the public to decide as to whether I would lend myself in any way to any organization or any act that could be construed as anything but honorable. Every one in this state knows Mrs. Duniway and her family. I wish further to say that, if the occasion arises and I deem it necessary to go further into this matter, I will be glad to publish some additional facts in these same papers not necessary to publish now, and will meet the conditions as they arise. If the Anti-Saloon League, by its paid foreign agitators or Committee of One Hundred, think they can beat this issue by trying to drag into the mud my name or others, they are very much mistaken. I expect to carry this work on to the conclusion of this campaign, and then allow the people to judge as to whether we will control our own affairs in the State of Oregon or allow the paid agitators of the East to show us what to do.

**Deafness Cannot Be Cured**  
by local applications, as they can not reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out

and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.
