## THRESHER BROKE BRIDGE CANDIDATES ARE BUSY BAND CONCERT ENJOYED THOMPSON -- JACKSON HOUR OF PRAYERSUNDAY

The Ewing Bro's Thresher went through the old wooden bridge across the former bed of Powder River last Friday, the bridge breaking under them as they were making their way across it. The machine was but slightly damaged and no one was hurt. This bridge has been a nuisance for some time and it has been the intention of the county for some time to replace it with a fill but owing to the general supposition that the bridge was still solid this was not done. The county will likely allow the damage without suit.

Democratic Candidate for Governor

Representatives of C. J. Smith Democratic nominee for Governor were in the valley Wednesday distributing Placards.

A. A. Smith Candidate for State Representative on the Democratic Ticket was in Eagle on Wednesday in the interest of his campaign. Mr. Smith has the appearance of everything the democrats hoped he would be, and is believed will receive a good many votes from this part of the county. His motto is:—"Application of Common Sense Principals to enactment of law. He has a late start in the race and it is no more than fair to give him an equal chance, which a great many believe he already has.

Attorney W. H. Strayer of Baker was in Richland this week in the interest of his candidacy for the office of State Senator. Mr. Strayer is well and favorably known in this community and he will no doubt get a strong support in Eagle. Mr. Strayer announces that the long pending water suit over the Sparta ditch has been settled and that without any costs as well as to the advantage of the people of Eagle. Mr. Strayer is a man well known in Eagle, having first established the local paper. The present city charter of Richland is his handiwork as was the old one showing that Richland found no fault with him. In his record as a resident of Eagle Valley, Mr. Strayer proved himself to be strictly on the square. At the present time he has with most people the reputation of being the most honest attorney in Baker.

A. B. Combs, rep. candidate for Co. Clerk, was here today.

### E. V. Band as Usual is Good Entertainer

The E. V. Band Concert was an event that was greatly enjoyed by the large audience that assembled to see the boys go through their stunts. The crowd was also very quiet and attentive applauding heartily, but not in a noisy, boisterous way. The band played a very diversified program of usical numbers consisting of two-steps, waltzes, overtures and serenades, and was repeatedly remarked after the performance that the band was never heard to better advantage, especially was this manifest in the bass section of the band, which was taxed to the limit, as the program called for many difficult bass interpretations of many solos, but the bass responded to the occasion and the audience was highly pleased, as a bass section has never been heard before in such difficult work. The whole band played splendidly and showed marked improvement and for this they owe the training of Prof. Parker who has brought them up to so high a state of efficiency.

The moving pictures were excellent and were a highly enjoyed part of the program. The two sketches were extremely funny and convulsed the house with laughter, showing that the band was not only musical but good entertainers as well in the acting line.

Taken all in all, it was a successful affair and the band boys wish to extend their thanks to the audience for their attendance and their attention and invite them to come again at the next band show which will be given at a not far distant date.

It has been suggested and will very probably be done, that the band repeat the performance of Saturday night, on the 19th, for the benefit of the cemetery. In this case the whole program with the exception of the sketches would be new. The NEWS will speak more fully of this next week.

Mrs. Mary Long has sold her place just above Richland the price obtained being \$5500. John Shafer was the buyer.

A sad accident happened last week when Mrs. Melick's little daughter fell and broke her arm. It is reported that it was as being a slight break and will likely mend rapidly.

Miss Josephine Thompson of Richland and Mr. John Edward Jackson of Haines were united in marriage at the residence of the bride's mother, Mrs. Emma Thompson, last Sunday at 3:00 p. m., the Rev. Frank Hopkins officiating. It was a splendid home wedding, only a few invited guests were present besides the immediate friends and relatives. The bride was born and reared in Eagle Valley, and is well known here, and is a young lady of the highest qualities and character. The bride groom is in business in Haines where he resides, and has a beautiful home prepared for his bride there, where they will reside in the future. They returned to Haines Wednesday. Miss Ora Jackson, a sister of the bridegroom accompanied her brother from Haines and was one of the guests at the wedding. Miss Jackson and Mrs. Geo. Hall, the latter a cousin and a life long friend of the bride, acted as witnesses. At 6:00 p. m. a sumptuous wedding dinner was served to the delight of all present.

A surprise party was given in honor of Mrs. Roy Masterson's birthday on Friday evening, the 25th. A good time was had, by all present and a dainty luncheon was served to the guests. While most of the guests were married people and therefore to be considered more sedate, they never the less played games in true youthful manner and had what everyone considered a jolly good time.
