JAPAN HAS SEIZED THE ISLE of Yap, a small island in the Pacific ocean about 1000 miles east of Manila. Germany bought this from Spain after our Spanish war. It must keep the "Yaps" busy learning the language of the nation in power.

SPEAKING IN REPLY TO THE charge made in last weeks Pine Valley Herald that Bill Flower preferred a cold bottle to a hot bullet, Bill in answering for himself say that if you would leave it to him for settlement he would prefer a warm bed some morning about five o'clock than a cold draft of wind from the nearest window when he gets up. As far as bullets are concerned, never had much experience with the same but would judge that they would be great for stopping the heart action of a nervous man. Also say a hot bunch of hot cakes are not so bad.

This an excellent time to renew your subscription.

Deafness Cannot Be Cured by local applications, as they can not reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and to this tube restored its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

SAUNDERS BRO'S,

THE "BOOZOLOGICAL" QUESTION

? What Sayeth the Scripture ?

If you don't believe the Bible, you ought to be ashamed of yourself.

What does the Bible say about liquor, beer, wine, whiskey, alcohol? Is the Bible against the Saloon? Is it against booze or for it, or is it silent on the subject?

Do you believe in God? If not, why should you expect any one to believe in you? What does God say about Liquor?

FRANK HOPKINS is not a fanatic! That's one thing you can't say against him. Then hear him next Sunday morning discuss the "Boozological" question at the Methodist church.

The "Drys"—the "Wets"—and the "Doubtful" are challenged to hear him.

Frank Hopkins believes the PEOPLE OUGHT TO RULE—and he believes a lot of other things.

Hear him discuss "Boozology" next Sunday morning
