RICHLAND, ORE., THURSDAY, OCT. 22, 1914. VOL. 2, NO. 49

THE PORTLAND DAILY TELEGRAM, People's Popular Monthly and Eagle Valley News, all three one year for only \$4.50.

FROM THE INTEREST TAKEN IN registering last week the coming election will prove the most exciting held in several years.

THE NEW EDITOR WILL LOSE his vote this fall, not having been a resident of Oregon long enough, and its too far back to Iowa.

AS HERETOFORE, THE POLICIES of this paper will be strictly independent as to politics, religion and the liquor question. Our advertising columns, however, are always available to all parties at reasonable rates.

RICHLAND NEEDS A DENIST, Dr. Williams having decided to devote his time in Halfway and Cornucopia hereafter. There is an excellent opening here for a first class man, but no other need apply, for our citizens want only the best.

SOME ENTERPRISING FIRM could create a great amount of interest and amusement by offering a prize to the person pronouncing correctly the name of the various towns, rivers, etc., appearing in the telegrams concerning the European war. Try your luck on the following: Lys, Bruges, Klankenbergh, Shinyo Maru, l'staires, Altkircā, Craonne, Przemysl.

WE BELIEVE G. W. EVANS, republican candidate for county commissioner, should have the undivided support of Eagle Valley. He has been a resident of Oregon 35 years, of this vicinity 23 years, and has been school director several terms and at present is serving in that capacity. He is known to be honest, energetic and a man devoted to furthering the interests of Baker county in general. He has made a study of the finances of the county and pledges himself if elected to look into several matters pertaining to our present high taxes, and especially to the disbursement of the "miscellaneous fund."

## Deafness Cannot Be Cured

by local applications, as they can not reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound of imperfect hearing and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
