## FIRE DESTROYS HOME

The house on the L. G. Morgan place on Powder River, now owned by George Spiropolis, together with the contents, were entirely destroyed by fire about 10:30 Tuesday morning.

The house was occupied by Eli Stanciu and his sister Mrs. Mary Nicolescu, the latter being alone at the time the fire was discovered, and was compelled to run a half mile to the nearest neighbor to secure help. The alarm was spread and soon a number of neighbors were on hand and by hard work were able to save the cellar which contained a large stock of provisions.

The building was insured for \$1000, but nothing was carried on the contents and as a consequence the loss to Stanciu was very heavy, for besides losing all the furniture, clothing, etc., two sacks of sugar, 27 sacks of flour, and other provisions were destroyed.

## Latest War Bulletins

Cabinet still in hope that Germany may modify submarine order.

Diplomats surprised that U. S. makes plans for war and do not conceal fear that detention of war supplies here would be just what Germany desires.

Taft says that the old policies of Washington and Jefferson are obsolete and must be disregarded.

British take thousand yards of trenches from Germans without opposition.

All the German ships interned in Philippine ports have been rendered unseaworthy by their crews.

Congress adds many items in defense bills, and legislators of all parties unite in declaring the international crisis grave.

If you are in need of a new lamp or lantern you should investigate the merits of the Coleman Air-O-Lite displayed and sold by Saunders Bro's. The Air-O-Lite burns gasoline or kerosene, produces five times the light of a big center draft oil lamp at one-third the cost, is safe, brilliant, lasting, economical, clean and efficient. ## DITCH COMPANIES HOLD MEETINGS

The regular annual meeting of the stockholders of the Dry Gulch Ditch Co. was held at the town hall on last Thursday, and the following directors elected: Rudolph Guyer, Gordon Hoover, A. F. Clark, J. W. Patterson, and J. R. Lee. It was decided to take the money, around \$1500, now in the sinking fund and put it in the reserve fund; and to use a part of same in making permanent improvements on the ditch. The directors were empowered to dispose of the power sight as they should see fit.

The annual meeting of the stockholders of the Waterbury & Allen Ditch Co. was held Saturday at the town hall. It was voted to take the lower end of the ditch into the corporation, and the directors were authorized to investigate and if possible secure a new and better system of water measurement. The following comprise the board of directors for the coming year: J. S. Cropp, D. W. Allen, C. C. Shelton, C. A. Wallace and John D. Bennehoff.

## We Are Progressing

There is an old proverb that a wise man changes his mind, but a fool never does. The wise man has to change his mind to keep up with the times.

Your grandfather thought he was putting on style when he took his best girl out horseback riding. The young man today would like to have a six-cylinder car for his lady love. The smart men of today will be considered "old fogies" by the next generation. We are progressing, changing, keeping step with the times, that's all. Especially is this true of financial matters, modern banking. Few people keep their money hid about the house or run the risk of carrying it on their person. They follow the modern plan, keep their funds in a reliable bank like ours and pay by check. It's the safe, modern, convenient way.

## The Only Way.

Judge Fraser was trying to get a party over the phone recently, but finally hung up the receiver and said:

"I believe that I'll go fishing."  
"Didn't know you cared for fishing at this time of year," remarked a friend.

"I don't, ordinarily," said the Judge, "but it's the only chance I have of finding myself on the end of a line that isn't busy."

Just take a look at Saunders Bro's. window filled with Middy blouses and ties for all ages, then step inside and pick out the ones you want. The prices are sure to suit your purse.—ad

## LAI TO REST

The funeral of Mrs. Robert Connall, who died in the hospital at Baker last Thursday, was held at New Bridge Monday, Rev. J. M. Johnson of Sparta, officiating, and the remains laid to rest in the Eagle Valley cemetery.

Ollie Jane Strang-Connall was the daughter of Mr. and Mrs. F. L. Strang of Sparta, and was born in Eagle Valley, Sept 23, 1895, and was 21 years, 4 months and 9 days old at the time of her demise. On April 6, 1913, she was married to Robert Connall at Baker, and have since resided near Sparta.

Besides the bereaved husband and parents, the deceased leaves three little motherless children, the oldest three years and three months and the youngest seven weeks. Two brothers, Edmond and Herbert, also survive her.

The death of Mrs. Connall is indeed a sad blow and the undivided sympathy of all is with the grief stricken relatives in their hour of sorrow.
