Your Store and Ours

This store belongs to us; but it's no good to us unless it's your store to. To be your store it must contain the clothes you want to wear, the groceries you want to eat, and the many items needed around the home; it must be arranged for your comfort and it must do business in a way satisfactory to you, having and holding your confidence.

Lots of people—more every month—find that our store is their store. If it isn't already your store, come in and let us make it so.
