PREPAREDNESS LECTURE

GENTLEMEN, THERE IS A LADYNESS IN THE GOOD JUDGE WHO WAS THE FIRST MAN TO FIND THERE WAS MORE SATISFACTION IN A LITTLE CHEW OF RICH TOBACCO THAN IN A BIG CHEW OF ORDINARY PLUG.

THIS war is awakening men to the truth about a lot of things besides Preparedness—and chewing tobacco is one of them. Soldiers are strong for W-B Cut and the facts are right before you. These shreds are all tobacco, no gummy sweetening—rich tobacco—more sap in the leaf than in ordinary tobacco by a long shot. That's why it's so satisfying and so economical—a little bit goes a long way.

## Are You Eating To Win the War?

This Newspaper recommends  
Today's Housewife to every patriotic woman  
who wishes to help win the great war

Today's Housewife is especially needed by every homemaker in the present war-crisis, because the seven Courses in Domestic Science now running in the magazine help housewives to better select, prepare and conserve food supplies, to cut down waste, and at the same time to add to the health and welfare of the entire family.

Today's Housewife is the only magazine that maintains a model home where cookery recipes, new household devices, cleaning methods, etc., are put to practical tests before their appearance in the pages of the magazine.

The monthly lesson on "Cookery, Foods and Nutrition" under the direction of Caroline Hunt of the Department of Agriculture, is alone worth the price of a ten-year subscription not only to the woman who follows each lesson but to the government of the United States in helping to win the terrific war with the Central Empires of Europe.

#### Favorite Magazine of Home-loving Women

REMEMBER, better home-making is the ideal task of TODAY'S HOUSEWIFE, its reason for existence, its aim and purpose being to help homemaking in its highest sense, with the sound and sensible advice that the material needs of the family in view, homemaking as the highest of women's occupations rather than housekeeping as the most dignified of women's occupations.

While Today's Housewife stands in a class by itself in its practical value to homemakers, it is also noteworthy for its wonderfully inspiring editorials and special articles, for its clean, delightful stories, and its beautiful illustrations and covers by leading artists. Over one million women seem that TODAY'S HOUSEWIFE is worth several times the price of 10 cents per copy.
