Whole Wheat
The Best Food

Doctors generally agree that whole wheat is best for the human body. "Force"—the universal breakfast food—is a combination of selected whole wheat and the choicest barley malt—Nourishing, strengthening, digestible, delicious.

True Also Anywhere.

A story is going the rounds concerning the inquiry in London into the best method of checking extravagance in restaurants and hotels, says Pearson's Weekly.

Among the witnesses before the committee was a certain stolid looking waiter. The particular article of food under discussion at the moment happened to be margarine, and one of the members asked, incidentally:

"How do you call it in the restaurant business—'margarine' or 'marjorine'?" "Neither, sir," blandly replied the waiter; "we call it 'butter'!"—Exchange.

Got a Line on Them.

Two English laborers who were on the road to Birmingham to get work happened to meet an old Irishman breaking stones on the road side. They inquired of Pat how long it would take to get there. Pat simply looked at them and made no reply. Thinking he was deaf they walked on. When they had gone about 300 yards he called after them, so they came back. "Ye asked me how long it would take to go to Birmingham?"

"Yes," they said. "Well," said Pat, "it will take ye four hours."

"Why didn't you tell us that before?" they asked.

"Well, now," said Pat; "how could I tell ye until I saw how fast ye could walk first?"—Pittsburgh Chronicle-Telegraph.

Second Mistake of the Kind.

A passenger on a New York and Chicago limited train, upon looking under his berth in the morning, found one black shoe and one tan shoe. He called the porter's attention to the error. The porter scratched a woolly head in bewilderment. "Well, an' don't dat beat all," he said. "Dat's de second time dis maunin' dat dat mistake's happened!"—Exchange.

LISTEN TO THIS! SAYS CORNS LIFT RIGHT OUT NOW

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezeone applied directly on a tender, aching corn or callus, stops soreness at once and soon the corn or hardened callus loosens so it can be lifted out, root and all, without pain.

A small bottle of freezeone costs very little at any drug store, but will positively take off every hard or soft corn or callus. This should be tried, as it is inexpensive and is said not to irritate the surrounding skin.

If your druggist hasn't any freezeone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.

SUFFERING FROM COLD

If you shiver in frosty weather, if you have cold hands and feet, if colds are stubborn and frequent, then your blood may be thin and impoverished.

SCOTT'S EMULSION

Germany's Penalty.

We all know what the last year and a half of the Civil War meant to the South; it well-nigh annihilated their youth. Boys and old men were called to the front, and half a century after the struggle the South is only beginning to recover. This is what another year of the war will mean to Germany. On the western front, French, British, and American manhood will divide the cost of the battle in human life. But the German manhood will have to defray it all and the tax will, therefore, be enormously higher upon the German.

Germany, by using enslaved populations, by using prisoners, has been able to put a far greater percentage of her manhood on the firing line than her opponents; this has enabled her to hold off her enemies, and still enables her to do it, but it has also compelled her to use up a far greater fraction of her human capital and thus cripple herself in the after-war recovery.—From "Verdun—Riga—The Isonzo," by Frank H. Simonds in the American Review of Reviews for October, 1917.

LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to flush Kidneys if Bladder bothers you.

Eating meat regularly eventually produces kidney trouble in some form or another, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.
