FOOD AND THE SOLDIER
The savings of our people will win this war.
France came to our aid when we were struggling for Liberty and now we must help lift the burden of this great World War which has fallen so heavy upon her. Thousands of our men are now in France and more and more will be sent.
The destruction wrought by the hellish "huns" has caused a great shortage of food stuffs in Europe and the deficiency must and will be supplied by us.
Meat, flour and sugar are the things to conserve and practically every family in this section has signed a pledge card to eliminate all waste possible. That all may gain further knowledge on WHY saving is necessary as well as HOW saving can be made by the use of substitutes, Miss May Murphy, District Home Demonstration Agent, will visit Richland and will speak at the opera house on next Monday evening, November 19th, at 7:45 o'clock.
Miss Murphy is employed by the government and is an expert demonstrator, and her address will be well worth hearing by every patriotic man, woman and child in this section. There will be no admission charges nor any collection taken. Uncle Sam invites you; you'll be his guest.
Patriotic music and songs will enliven the program and you'll miss a treat if you fail to come.

Married at Baker.
At the home of Mr. and Mrs. Geo. A. Herbert on Second street last evening, with County Judge William Doby officiating, took place the marriage of C. A. Carrothers of Robinette and Mrs. Katherine I. Reddick of Richland. Mr. Carrothers is a prominent rancher and sheepman and Mrs. Carrothers a well known Richland lady. They will make their home on Mr. Carrothers' ranch near Robinette.—Sunday morning Democrat.

Council Meets.
The town council of Richland held a meeting Tuesday night and among other business transacted made out the city budget for 1918 and fixed the levy at ten mills. The resignation of Mayor John P. Jones was presented but after due deliberation same was laid aside until a future meeting. The clerk was ordered to post notices and make all proper arrangements for the primaries and city election.

AGENT APPOINTED
Paul V. Maris, state leader of county agents, representing the federal government and O. A. C., and Henry E. Tweed, the recently appointed agricultural agent for Baker county, were Eagle Valley visitors last Thursday interviewing a number of our prominent farmers.
Mr. Tweed was raised on a stock ranch near Lewiston, Idaho, and has had experience in all lines of agricultural work and in handling live stock of all kinds, and recently was in charge of a large stock and fruit ranch in Okanogan, Washington. He is a graduate of Washington State Agricultural College and has made a special study of marketing and is eminently fitted to fill the position.
The appointment of an agricultural agent in Baker county is in accordance with the plan of the federal government to raise the efficiency and increase production on the American farm and the outcome of the plan will be watched with interest by everyone.

The Army Y. M. C. A.
Owing to business appointments Senator Strayer was unable to come to Richland last Friday evening so Mr. Chas. H. McColloch came in his stead. A good sized audience greeted the speaker who spoke at length on the great work being done by the Y. M. C. A. in all parts of the world, and outlined the plans for the big "Y drive" this week.
Mr. McColloch's address was exceedingly interesting and no doubt will largely help in the raising of funds in this neighborhood for that great organization. J. M. Chase, who has charge of the work here, reports \$135.00 at this time (Thursday morning) and is confident that Richland's quota will be fully if not over subscribed.

Start On Another Year.
With this issue the Eagle Valley News enters upon the sixth year of its existence and the fourth year under our management. When we took charge on October 22, 1914, we stated that it was our intention to give this community a good local paper and whether or not we have "made good" in that respect we will leave to the verdict of our subscribers.
We reiterate the same statement at this time and assure you that we will use our utmost efforts to give you as good a paper in the future as in the past and whenever possible we will give you a better one.
We appreciate the support accorded us in the past and trust that our efforts warrant its continuation.

School Entertainment.
On Wednesday evening, Nov. 28th, the pupils of the advanced grammar and intermediate grades will give an entertainment at the opera house under the supervision of Misses Halley and Dickie.
The program will include two plays: "The Magic Curtain of the Past," and "Rip Van Winkle;" a pantomime, "Coming Through the Rye;" drills, motion songs and music, after which Thanksgiving eats, consisting of pumpkin pie, hot weinies, buns, sandwiches and coffee, will be served at reasonable prices. Net proceeds go to the benefit of the Richland schools.
Admission 25c and 15c.

Why Not Try This?
On Tuesday, Dec. 4, the voters of Richland will be called upon to elect a mayor and four councilmen, and we believe that more attention should be given to the matter at this particular time than has been given in the past.
Men who can give their attention to the administration of the town's affairs are very few, and we suggest that the women of Richland get together and nominate candidates from their own ranks for the offices to be filled; then see that they were elected on December 4th.

Air Tank Blows Up.
On Saturday afternoon the inhabitants of this section were startled by a loud explosion. With their minds filled with visions of air raiders, I. W. W. bomb plots, etc., the people in Richland rushed to the streets to learn the cause and it was found that the compressed air tank at the Jones garage had blown up. The damage resulting was considerable and it was indeed fortunate that no one was injured.

Just received a shipment of one and two ply "Certainteed" roofing, the right weights for barns, sheds and other out buildings. Raley's.—ad
