Prefers Chamberlain's  
"In the course of a conversation with Chamberlain Medicine Co.'s representative today, we had occasion to discuss in a general way the merits of their different preparations. At his suggestion I take pleasure in expressing my estimation of Chamberlain's Cough Remedy. I have a family of six children and have used this remedy in my home for years. I consider it the only cough remedy on the market, as I have tried nearly all kinds."—Earl C. Ross, Publisher Hamilton County Republican-News, Syracuse, Kansas.—ad

### The Opening Gun

This is our opening gun in this year's advertising campaign. We want you to read not only this ad but every one that follows. Will you do it? WHY? Well there'll be enough "ginger" in these ads to keep you interested. We hope you will enjoy our little stories about banking, saving and business in general. An ad that isn't read is of no value to anybody. The fact that you have read this one is encouraging. Will you look for our ad next week? Each week we aim to give you a little hundred word message that is worth while. See if we make good.
