ANOTHER PIONEER GONE TUESDAY, JANUARY 22 WILL BE WORTH HEARING

Word was received here Tuesday of the death of Alexander J. Tarter at Weiser on Monday of this week, of ailments incident to advanced age.

The remains arrived last evening and the funeral services were held at the Methodist church at 11 o'clock this morning. Rev. J. M. Johnson officiating; and the body was laid to rest in Eagle Valley cemetery, where his parents, his wife and other relatives are buried.

A granddaughter, Miss Lou-tacia Tarter, and a niece, Mrs. W. T. Benn-hoff, are among the relatives residing in this section.

If obtainable we will publish a synopsis of Mr. Tarter's life in a later issue, as he was among the first settlers of Eagle Valley, living on Little Eagle Creek near the present home of Mrs. Nora Moody when I. N. Young arrived here in 1871.

Never Say "Enough"

An Irishman who was getting the worst of it in a fight was asked if he would say "enough." He replied: "If I had strength left to say that, I wouldn't be licked."

That's the proper spirit. Never give up. A quitter never gets on. If hard luck strikes you, brace up and go on just as bravely as you can. However, a little savings account at the bank has carried many a man through a tight place. Better begin now, before hard luck strikes; and open a little savings account with us. We will guard it carefully for you. ad) EAGLE VALLEY STATE BANK

Mr. Haasch, station agent at Robinette, has estimated the amount of freight handled the past year for Eagle Valley at 8,000,000 pounds. This is an average of more than 33 tons per month, and includes both incoming and outgoing freight, but is exclusive of mail, express and passenger business. These figures should convince the most skeptical that the expending of \$20,000 on a road between Richland and Robinette would result in much benefit to every resident in this section.

The Red Cross workers will meet at the home of Mrs. Wesley Saunders on next Tuesday afternoon. Plenty of work for all who come.

Now is a good time to refinish your furniture; use "Chi-Namel" and insure a good job. We have the color you want. Raley's.-ad

A preliminary estimate of the production of metals from Oregon mines in 1917, compiled by Chas. G. Yale of the San Francisco office of the U. S. Geological Survey, shows a material decrease from that of 1916. The largest output of gold and other metals came, as usual, from Baker county, which produces annually about 90 per cent of all the gold mined in Oregon.

At 8 o'clock in the evening on the above date, the semi-monthly convention of the council will be held at the town hall, and the meeting promises to be of more than ordinary interest. Every citizen at all interested in the welfare and development of our town should be present.

The "12 o'clock ordinance" will be given a third reading and will call for some spirited discussion. In our opinion the ordinance is as rank fanatical class legislation as could be framed in a community of this kind. We believe that our present mayor and councilmen are too broad minded to vote for such a law, as it would result in still less amusements for our young people, and no one will deny that there is little enough in the way of entertainment for them even with an "all night dance" occasionally.

A plan for putting down a deep well, installing a power pump and stand pipe, as a means of giving Richland a water supply for domestic use and fire protection, will also be discussed. This is a matter of utmost importance to every citizen, and alone should be the means of drawing a large crowd to the meeting.

Under the automobile law it is made the specific duty of all police officers, sheriffs and constables, within the limits of their respective jurisdictions, to enforce its provisions. The council will instruct Marshall McDowell as to his duties in regard to speed limit, lights and license plates, etc.

Where Are They Now?

In all 74 men who registered in Baker county were not at the addresses filed with the local board at Baker, consequently their questionnaires were returned and the men listed as technical deserters. Among the names are the following from Eagle Valley:

Roy Chamberlain, Richland; did not register here.

R. B. Dunford, registered at New Bridge.

Hugh Jackson, registered at Richland.

Hershel Wymore, registered at Richland and later went to Iowa.

A Challenge for Civil Discussion

1st: Resolved that the scriptures teach that the kingdom of God was set up on the Day of Pentecost or during the natural life of Christ and His apostles.

The opponent may affirm; I will deny.

2nd: Resolved that the scriptures teach that the kingdom of God would be set up at Christ's second advent or at the overthrow of the Roman empire.

I will affirm; the opponent may deny.

Mayor C. L. Palmer, chairman of Baker County Defense League, has written us as follows:

"I am requested by the State Council of Defense to ask you to give the greatest publicity possible to a meeting to be held in Baker on Saturday, January 26th, at 2:30 in the afternoon and 8:00 in the evening, at the Baker Theatre.

At these meetings, by consent and authority of the Canadian Military Division, Capt. F. B. Edwards, Capt. E. J. Cook and Lieut. Col. MacMillan, with two military orderlies; men who have fought in the front ranks and some of them badly wounded—one losing both hands—will address the people.

The message they will deliver will be direct from the front. It is expected to be of great benefit to the people in general to have these educated men present the true conditions as existing today.

Please make it plain that there will be no admittance fee, no solicitation of funds for any purpose whatsoever. The object is to get all classes of people to hear this wonderful story."

Bank Directors Elected

The regular annual meeting of the stock holders of the Eagle Valley State Bank was held on Thursday evening, January 12th.

The following directors were elected for 1918: I. N. Young, C. J. Duffey, John B. Perry, Bert Rogers and John F. Herr.

Mr. Rogers was elected director to fill vacancy made by Mr. L. E. Chandler, who is at present in California and undecided as to his future residence.

Mr. I. N. Young was elected president to succeed Mr. Chandler. It was with deep regret the board was compelled to take this action on account of the law regulating residence of president, in which capacity Mr. Chandler served with untiring efforts for seven years.

We wish, at this time, to thank all of our customers for the kind patronage and for cooperating with us in making 1917 the banner year of this institution.

Soliciting the continuance of your valued cooperation, we ask you to make this Your Bank—a Home Bank for Home People.

I. N. Young, President,
John F. Herr, Cashier.
