When You Have a Cold
It is when you have a severe cold that you appreciate the good qualities of Chamberlain's Cough Remedy. Mrs. Frank Crocker, Pana, Ill., writes: "Our five-year-old son Paul caught a severe cold last winter that settled on his lungs and he had terrible coughing spells. We were greatly worried about him as the medicine we gave him did not help him in the least. A neighbor spoke so highly of Chamberlain's Cough Remedy that I got a bottle of it. The first dose benefited him so much that I continued giving it to him until he was cured."

Alfred L. Barber writes home from Camp Lewis that he has been real sick with rheumatism and sore throat for the past ten days and has been in the base hospital. "Nothing comes to this hospital but bad colds, rheumatism and cripples. In my ward, No. 83, there are 50 other cases; 40 in another, and ten on the porch. We all are getting the very best of care and it actualy seems home like."

About Constipation

Certain articles of diet tend to check movements of the bowel. The most common of these are cheese, tea and boiled milk. On the other hand raw fruits especially apples and bananas, also graham bread and whole wheat bread promote a movement of the bowels. When the bowels are badly constipated, however, the sure way is to take one or two of Chamberlain's Tablets immediately after supper.

LUCKY STRIKE CIGARETTE

YOU'LL enjoy this real
Burley cigarette. It's
full of flavor—just as good
as a pipe.

IT'S TOASTED

The Burley tobacco is
toasted; makes the taste
delicious. You know how
toasting improves the flavor
of bread. And it's the
same with tobacco exactly.
