## DEATH CALLS ANOTHER FARM QUESTIONNAIRES

James M. Schultz was born in New York State on January 10, 1828, and died at New Bridge, Oregon, on last Thursday morning, Feb. 7th, aged 90 years and 28 days. The funeral services were held at the Eagle Valley cemetery at noon Saturday, Rev. Wm. E. Bean officiating.

When about 18 years of age Mr. Schultz enlisted in General Worth's division and served to the close of the Mexican War, gaining promotion to the rank of First Lieutenant for deeds of valor. He was pensioned by the government over 35 years ago, but through a clerical error was rated as a private. Although asked to do so, he had never had the records corrected at Washington.

In November, 1852, he was married to Miss Vienna Rice, who is still living and in fairly good health although she is past 87 years of age.

Mr. and Mrs. Schultz came from Missouri in 1884 and settled in Wallowa county, where they resided until ten years ago when they removed to Eagle Valley.

"Grandpa" Schultz united with the Presbyterian church almost three quarters of a century ago; was conscientious, liberal, just, broad-minded; withal a Christian in the full meaning of the word. His death was the result of physical decline resulting from old age, and marks the end of a life well spent.

Besides the aged wife there are five children still living to mourn the departed one, namely:

Wm. Schultz, master machinist and engineer at the lumber mills at Hood River;

Jesse Schultz, of New Bridge; Elmer Schultz of Crowley, Ore.; Mrs. Nettie Davis of Chula, Mo.; Mrs. Lillie Bates of Hale, Mo. There are also twenty or more grandchildren and a number of great-grandchildren.

A crop and farm labor survey is being taken throughout the United States this week by the U. S. Department of Agriculture. Henry E. Tweed, county agricultural agent, has appointed a chairman in every school district in Baker county to look after the work and all teachers will also give assistance.

Every farmer, whether owner or tenant, is expected to fill out a questionnaire so that it may be in Baker not later than Monday, February 18th.

C. E. Thorp is chairman of District No. 44 and has sent a questionnaire to every farmer in this district. These should be returned to the News office not later than Saturday. A 100 per cent return is hoped for as this will enable the Federal authorities to make further war plans as well as to provide farm labor at the proper time.

If you want to help yourself and your neighbor, don't fail to fill out and turn in your questionnaire.

## \$50 - REWARD - \$50

Some low-down contemptible miscreant has made away with "Spot," Allan Binheimer's fine retriever, and Al has handed us a check for \$50.00 which will be given for information leading to the arrest and conviction of the guilty party.

On last Friday night when Al went home, the dog discovered a man in the woodhouse, but who made his escape before Al could get a gun. Spot, however, succeeded in grabbing the fellow and brought back part of a pair of pants as a souvenir.

On Saturday morning "Spot" showed symptoms of poisoning but recovered after antidotes were administered and was apparently all right when last seen on Monday evening. Just when and how the animal was disposed of has not been ascertained.

### Let's Go Over the Top Again!

A fund of four millions of dollars is being raised for the work of the War Council of the Young Woman's Christian Association. Oregon's share is \$50,000, Baker county's share is \$1,000. We have been asked by Miss Susan W. Moore, who has charge of the work at Baker, to raise \$50 in Eagle Valley, and have secured the assistance of the girls in the higher grades of the Richland schools. Don't fail to give something for this cause when the young ladies call on you.

## Lavelle Augustus Passes Away

After fifteen days of intense suffering, death came as a relief to little Lavelle at 9 o'clock last evening.

Since the accident on Jan. 20th everything that mortal could do had been done to relieve the little one's suffering and to bring about her recovery; Dr. McArthur and a trained nurse being in constant attendance at the bedside.

Poisons generated in the system as a result of the terrible burns brought on a plural pneumonia, which was the ultimate cause of death.

Lavelle was a beautiful child of sweet disposition, and it is sad and deplorable in the extreme that her life was sacrificed by man's uncontrollable thirst for alcohol. Heaven will welcome her spirit, and God in His infinite mercy pass judgment.

The funeral will be held tomorrow, presumably in the afternoon, and the little body laid to rest in the Eagle Valley cemetery.

## U. S. P. S. R.

We have been appointed to take enlistments in this district for the United States Public Service Reserve and will gladly fill out the papers for any man who is ready, if the call comes, to take a job where their country needs them and where they can count for victory.

All classes are enrolling—professional men, artisans and laborers; it welcomes every patriotic citizen who wishes to serve, whatever his qualifications.

Mechanics, skilled laborers of all kinds, men who can work with tools, are especially needed at this time. Every available man of this sort should enroll promptly or our country's war work will be retarded.

You are under no obligation to respond to the call when it comes; the Reserve merely presents the opportunity, trusting to your patriotism and judgment to lead you to accept.

Come in and we will explain matters thoroughly. There is no charge now or hereafter.

Walter Campbell is numbered among the sick.

K. of P. lodge will meet Wednesday nights hereafter.

Pearl Houston of Robinette is working at the Seigel Ranch.

Over forty have signified their willingness to join the Home Guard and a meeting will be held at the K. P. hall Saturday night for the purpose of perfecting the organization. Don't fail to come.
