BAKER - - - OREGON

## THIRD LIBERTY LOAN

If the peoples of the earth are not to become toiling, terror-ridden slaves at the mercy of the German government, the Huns must be driven back within Germany's borders and kept there. We are fighting to down an enemy that would impose his own hateful kultur on every free institution in every liberty-loving land. We are fighting in Europe now that we may not have to fight in America. We are fighting for the safety and liberty of our children; our homes, our country. The war is being fought in Europe but it must be won right here at home and no price is too great to pay for victory.

We dare not delay the victory. The army is doing its part. More than Five Hundred Thousand American soldiers are in France today, fighting shoulder to shoulder with the French and British to blot out Prussianism. There will be more tomorrow—and more the day after. They are looking to us at home to furnish them in greater abundance, the ordnance, the munitions, the food, the supplies, that will make their victory possible.

We must not fail them. The Third Liberty Loan is our share in the winning of this war. Upon it depends the safety and success of every American soldier in Europe. Will you lend him a hand by buying all the bonds you can?

Remember, when you invest in your Liberty Bonds, that there is immediate, urgent, imperative need for every dollar you can spare, and every bond bought now is a direct fighting aid to the soldiers in France.

The committee in charge of this district to solicit for the Liberty Bonds is composed of John F. Herr, chairman; G. M. Moody and Bert Rogers, all of Richland; W. E. Martin of New Bridge; J. C. Sinclair of Five Mile, and J. W. Love of Lookout. You will be called upon to buy—be prepared.

### Under New Management.

Mr. and Mrs. L. S. Kelly of Baker, assumed management of the Richland Hotel last Friday and Mrs. W. H. Stout and son who have been running the place for the past several months, have moved to their ranch in the Dry Gulch District.

Mr. Kelly has had several years experience in the hotel business and says it is his intention to make "The Richland" the most popular hostelry in the Panhandle. He will make a specialty of Sunday dinners and respectfully invites the people of Eagle Valley to come in, assuring to all prompt and courteous treatment, first class service, properly cooked meals and clean beds.

R. M. Kirk was a visitor at the county seat Sunday.

## PATRIOTIC MEETING

Donald Skene, a Canadian soldier direct from the trenches in France, will speak at the opera house in Richland on Sunday evening, April 7th. This is the first opportunity that Eagle Valley citizens have had to hear a description of the war direct from a soldier who has seen and experienced the barbarity of the fiendish German hordes.

Mr. Skene will be accompanied by B. E. Harder, county chairman of the Third Liberty Loan committee; Walter Meacham; the Baker C. C. Quartette who will sing several selections; and a large delegation of Baker citizens. Many people from Sparta, Robinette and other districts will be present and it is expected that every resident of Eagle Valley, unless sick or disabled, will show their loyalty to Old Glory by attending.

The hall will open at 7 o'clock and the program start at 7:45. Be on hand early and get a seat.

### New Residents Arrive.

The population of Eagle Valley was increased by the number of eighteen Tuesday on the arrival from Somerset, Kentucky, of the following:

Mr. and Mrs. J. J. McDowell, and daughter Miss Mattie.

Mr. and Mrs. G. C. McDowell and four children.

Mr. and Mrs. F. C. McDowell. Mr. and Mrs. James Harris and five children.

The first named are the parents of Silas A. Wm. E., and J. B. McDowell who have been residents here for some time.

We welcome these people in our midst, and are confident that ere the summer is over they will have become satisfied that Eagle Valley cannot be excelled as a place in which to make a home.

### System Pays.

A farmer would be foolish to waste the time cradling wheat in these days of the modern grain binder. It's harder work and it don't pay.

This is an age of mechanical conveniences, labor saving devices and efficient systems, and one of the most efficient systems is the present banking system as used by this bank. All up-to-date business men and farmers do all their business through the bank because it is easier and better and it pays. Our system is right up-to-date, we have all modern conveniences and it will pay you to use them.

### Notice to Poultry Owners

It is now garden season and a town ordinance provides that all poultry must be kept from running at large. The marshal has instructions to enforce the law—take warning.

W. G. Saunders, Mayor.

## The Safest Place for Your Money

The paper money of the United States is a promise to pay. It is the agreement of the United States to "pay to bearer" a certain sum. W. S. S. are also a promise to pay.

**War Savings Stamps Are as Good as Money and Pay You 4% Compounded Quarterly**

Both the money and the stamps are guaranteed by the richest nation in the world.

Suppose we were to lose the war? What good would money be?

None at all. It would be a mere memento of the past. And if we bought our freedom back, by indemnity, it would be at a price so colossal as to wipe out our savings and mortgage our earnings for generations.

The safest place for all your money is in War Savings Stamps, because the money saved and raised by War Savings Stamps will win the war, and thus insure the preservation and solvency of our Government and the safety of our homes and families forever.

## PAINFULLY BURNED

Mrs. Geo. W. Eyans, Sr., was severely burned about the face Monday while mixing a kettle of soap. It appears that she had added a can of lye to one kettle of boiling grease and was reaching over it to stir the contents of another when the first one exploded from some unknown cause, throwing a quantity of the boiling mass into her face.

First aid remedies were applied and Dr. Wilson summoned. It was found that while the injury was exceedingly painful the burns were not deep and that few if any scars will result.

Engineer Kingsley and a crew of men arrived in Richland Tuesday and are at work surveying the Baker-Cornucopia post road east of town.

### Married at Baker.

Miss Anna Laura Jones, age 16, daughter of Mr. and Mrs. S. D. Jones, and Mr. Aaron Adelbert Densley, age 19, son of Mr. and Mrs. W. J. Densley, were united in marriage at Baker on Monday afternoon; Rev. Owen F. Jones performing the ceremony in the presence of relatives of the contracting parties.

The young couple, who are well known throughout this section, will make their home with the groom's parents for the present. They have the hearty congratulations of a host of friends, with whom ye editor sincerely joins.

Easter finery was not much in evidence Sunday. Most of our people have made up their minds to whip the huns and are investing their money in Thrift Stamps and Liberty Bonds instead of "glad rags."

Conserve your canned fruits, use more evaporated fruits; nice line, prices right. Raley's.—ad
