Buy More Bonds.

Tomorrow (Friday) has been set aside by President Wilson as Liberty Day, and in his proclamation asks that effort be made in every community to secure additional subscriptions to the Third Liberty Loan.

We have gone over the top in Eagle, yet there are hundreds of subscribers who can well afford to double the amount of their purchase and they should do so by all means.

Our soldiers in France are proving themselves heroes; the world commends their gallantry; the huns fear them and wonder at their courage and good spirits; let us at home show our appreciation of the great sacrifice the "boys over there" are making by lending more of our money to Uncle Sam, and DO IT NOW!

A New Swindle.

A telegram is sent informing that the soldier has a furlough and requesting funds by wire to come home, waiving identification. The rest is a mere matter of detail. Parents and friends are warned of this game, and of a similar one where the telegraphic request is to mail money to the soldier care general delivery.

At a meeting of the directors of the Eagle Telephone Co. he'd Saturday, it was decided to increase the service rate to \$1.00 per month on account of increased cost of operating expenses. The new rate will go into effect July 1st and will continue for one year.

Constipation and Indigestion

These are twin evils. Persons suffering from indigestion are often troubled with constipation. Mrs. Robert Allison, Mattoon, Ill., writes that when she first moved to Mattoon she was a great sufferer from indigestion and constipation. Food distressed her and there was a feeling like a heavy weight pressing on her stomach and chest. She did not rest well at night, and felt worn out a good part of the time. One bottle of Chamberlain's Tablets corrected this trouble so that she has since felt like a different person.—ad

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, Etc.

W. P. Williams was recently appointed road supervisor for this district but resigned when he learned the wages the county court had decided to pay. As there has been so little work done on Eagle Valley roads the past few years, they are in a very bad shape and are likely to be impassable ere the summer traffic is over.

Beginning May 20th and extending through the week to May 27th, a drive will be made in the U. S. to raise One Hundred Million Dollars for the Red Cross War Fund.
