Nature Cures, The Doctor Takes the Fee.
There is an old saying that "Nature
cures, the doctor takes the fee," but as
everyone knows you can help nature very
much and thereby enable it to effect a
cure in much less time than is usually
required. This is particularly true of
colds. Chamberlain's Cough Remedy
relieves the lungs, liquefies the tough
mucus and aids in its expectoration, al-
lays the cough and aids nature in restor-
ing the system to a healthy condition.

The food administration asks

He Needs Somebody to Send Him another pouch of Real GRAVELLY Chewing Plug

Uncle Sam's Boys don't ask for much in the way
of comforts—but good tobacco they must have.
A few cents spent for Real Gravelly will buy
more tobacco satisfaction than many times the
money in ordinary plug.

Give any man a chew of Real Gravelly Plug, and he will tell
you that's the kind to send. Send the best!

Ordinary plug is false economy. It costs less per week
to chew Real Gravelly, because a small chew of it lasts a long
while.

If you smoke a pipe, slice Gravelly with your knife and add
a little to your smoking tobacco. It will give flavor—improve
your smoke.

SEND YOUR FRIEND IN THE U. S. SERVICE A POUCH OF GRAVELLY

Dealers all around here carry it in 10c. pouches. A 3c.
stamp will put it into his hands in any Training Camp or Sea-
port of the U. S. A. Even "over there" a 3c. stamp will take
it to him. Your dealer will supply envelope and give you
official directions how to address it.
