SAYS HE'S GETTING FAT

Rolla Long writes us as follows: I am stationed at Camp Fremont, Calif., and getting fat. We have four and a half hours drill in the morning and three hours road hiking in the afternoon. I guess we will get on the target range with the big guns this week and I sure will be glad of it as I am anxious to get used to the big fellows.

This outfit I am in is one of the oldest organized field artillery regiments in the army. They had just come from the Phillipine Islands when I got assigned to the regiment.

We are sure feeding good. Our breakfast this morning consisted of grape fruit, pork sausage, hot cakes and coffee. Dinner included roast beef, stewed peas, celery, green onions, potatoes, gravy, cold slaw, loganberry pie and lemonade. Our week day meals are in the same line, but our bread is brown bread for three meals a day and seven days a week. We have pork only in sausage except for Sunday dinner once in a while.

I wanted to enlist in the engineers but the 10th and 18th regiments were full up. I did care to enlist in the other engineer regiments because they are sappers.

I don't know how long we will be here, but am in hopes it will not be for long because I sure don't like this place. California is fine for the boosters of this supposed sunny state, but anyone coming from Eagle Valley will soon get tired of it. The sun stays out only long enough to kiss them and then gets behind a cloud.

With regards to all,
Private R. I. Long.

K. of P.'s Attention

On next Wednesday evening, May 8th, a delegation of Brother Knights will come over the hill from Halfway to meet with the Richland lodge. They will bring along four or more candidates for the different Ranks for us to work on. Dr. Sanders is treating the bunch to strengthen their nerves and toughen their feet, so we're sure to have lots of sport. Keep the date (May 8th) in mind and don't fail to be present.

P. S. A light lunch will be served.

P. P. S. Come prepared to do some hard scrapping for most of Pine Valley bunch will be husky fellows. Nursed.

Our Marswell Vacuum Washing Machine is the lightest running machine on the market. A trial will convince you that it also does the best work.

A SERIOUS OFFENSE

While Hayman Swisher, Lucky Matthews and Mr. McWaters were riding over the Swisher ranch on Hibbard Creek last Sunday, they came across a Greek herding a band of sheep on the premises. When the three men got near, the fellow threw a shell into his rifle and threatened to shoot if they did not go back.

Being unarmed, the men made record time to the nearest phone and notified Sheriff Anderson. A deputy was sent out and fellow arrested and taken to Huntington and given a preliminary hearing before the J. P. and bound over to await the action of the grand jury.

Former Resident Dies.

Mrs. Francis Allen-Masterson, wife of W. M. Masterson, died at her home in Cornucopia on Monday, April 29th, and was buried in the Pine Valley cemetery on Tuesday afternoon.

The deceased was born in Prineville, Ore., on April 17th, 1885, and was married to W. M. Masterson, son of Mr. and Mrs. E. H. Masterson, on October 13, 1905. She was well known in Eagle Valley, having resided here for over a year at one time and afterwards making frequent visits here with relatives and friends.

Those from here attending the funeral: Mr. and Mrs. E. H. Masterson, Mr. and Mrs. R. A. Masterson, Mr. and Mrs. Wm. Masterson, Sr., Mr. and Mrs. Bert Poulson, Mr. and Mrs. John Chapman, Bert Masterson and Mrs. W. E. Farley.

I. W. W.'s Busy at Baker.

Saturday afternoon the rumor reached the Baker police that an attempt would be made to burn the White Pine Lumber plant that night. The Home Guard was called out and kept watch but nothing happened.

On Sunday night, however, the Sumpter Valley Ry. car shops were burned with a loss of about \$40,000.

Fearing further trouble from the I. W. W.'s and pro-Germans the authorities are maintaining a strong guard around the water works, reservoir, lumber mills, etc., at the county seat, and all suspicious characters will be taken into custody.

At the Christian Church.

Rev. W. H. VanDeusen of Ohio will preach at the Christian church next Sunday, both morning and evening. Mr. VanDeusen comes highly recommended as a minister of the gospel, a worker and lecturer on Liberty Bonds, and also as a vocal soloist of some note. The public cordially invited to attend both services.

The Plain Duty of Every American

Your duty, as an American citizen, is plain, definite, and imperative. Your sons and your neighbors' sons are going abroad to fight for their country, their flag, their homes—and for YOU.

They cannot fight without food, shoes, clothes, bread and bullets.

The Government looks to you for the money to buy these things. Your Duty is to lead—not give—this money.

It is more than Duty—more than patriotism—it is a privilege to buy War Savings Stamps

The money you pay for them will help win the war—help keep our soldiers fed, clothed, armed, and protected—help keep your country safe for Democracy.

The United States Government guarantees to pay your money back. It pays you interest on your money, 4 per cent, compounded quarterly.

You can buy War Savings Stamps at post-offices, banks, and other licensed selling agencies.

Will Help Win the War.

Two of Eagle Valley's most proficient school teachers leave this week to take up new vocations.

Miss Ada Martin will take a few weeks instruction at Wallace, Idaho, and then enter the railway service as ticket agent.

Miss Merle Simonis goes to Portland where she will study telegraphy, having been guaranteed a position in the railway service on completion of the term.

Young Men, Attention!

Having secured the agency for The Puritan Tailors, one of the leading made-to-measure clothing firms in the country, I solicit your order for your new suit. I have had years of experience in garment measuring and fitting and guarantee my customers perfect satisfaction in every detail. Call and examine my extensive line of samples. Frank Clarke.
