MAKE PLANS NOW

It is time that we in Eagle Valley make plans for the annual observance of Memorial Day, as the occasion this year will have a deeper significance to every loyal American than ever before.

The ranks of the heroes of the Civil War are thinning rapidly by death; in a few more years none will be with us; to the living and dead we must pay honor on May 30th. For in their day they saw their duty and did it.

Memorial Day this year will find nearly a million American boys on foreign soil or sailing on foreign waters, fighting for justice and humanity. Thousands are today resting in numbered graves on foreign soil. Perhaps hundreds of thousands will be laid beside them before German Kultur is crushed into the earth.

It is therefore our duty to get together on Memorial Day, not alone to pay respect to the heroes both living and dead, but that we renew our pledge of allegiance to Old Glory; to purge our souls of all sloth and unwillingness to do our part in the present war; to experience a revival of the true patriotism that will make us live up to the greatness of the opportunity that exists for every real American.

Getting Money.

It's no easy job, this business of landing a dollar. It takes work, brains, muscle and energy. Once you get it, it's yours and you have a right to do as you please with it, of course.

This bank has no desire to advise you how to spend your money—at least not unless you ask for it. Our only mission is to care for your dollars if deposited at our bank. They are subject to your check whenever wanted, but in the meantime they are SAFE. We can assure you of that fact. We use every precaution to safeguard our depositors' funds.

Painfully Burned.

While working around the stove at her home on Upper Daly Creek Sunday evening, Mrs. Elmer Stone in some manner overturned a pan containing a quantity of hot grease, burning her left hand severely. Her little daughter Shirley also received a number of burns on the face.

Mr. Stone secured the aid of his neighbor, Mr. Gilkinson, and brought the injured ones to the home of J. L. Stone where Dr. Wilson is looking after their injuries.

Buy Thrift Stamps and, gentlemen, let us take your measure for your summer suit. We can furnish you with a suit from \$14 to \$50; come in and look our samples over.

SCHOOL TERM ENDED

Owing to the prevalence of scarlet fever in this district the work incident to the ending of the spring term was rushed and Richland public schools closed last Thursday, just a week ahead of scheduled time.

This action resulted in dropping the plans for the Junior Red Cross benefit that was billed for last Saturday evening, a fact that caused disappointment to teachers and scholars alike.

The past school year has been one of the most successful in the school's history, the spirit of co-operation between teachers, parents and pupils being manifested at all times. While the teachers for the next school year have not yet been selected, it is known that at least two new ones must be secured as neither Miss Herr nor Miss Dickie will teach, a fact much regretted by all as both are adept instructors.

On account of throat trouble Miss Herr is compelled to give up teaching for at least a year. She will leave shortly for Portland to take treatment from a specialist.

Miss Dickie left today for her home in Portland, where she will keep house for her parents for a time. She has made a host of friends in this section during the two years she has taught in Richland, and all wish her success in whatever pursuit she may enter in the future, as she thinks seriously of giving up teaching.

Robinette to Get Oil Station.

Plans for a complete oil and gas distributing station to be installed at Robinette by the Standard Oil Co. are now in the hands of our local contractor, Barney Eidson, for estimation. This will be a big improvement for our neighbor town and of much convenience to the residents of eastern Baker county. The plans call for office building, garage, store house, sheds, pump house, etc., besides the storage tanks.

As soon as the station is completed the distribution of oil and gas will be made throughout the surrounding territory by motor truck tanks.

Knights Have Big Time.

The local K. of P. lodge were hosts last evening to the following out-of-town visitors: I. N. Sanders, A. V. Lansing, H. C. Eastland, Herb Rosborough, Dr. Bennett, S. F. Deaderick, T. F. Quinn, H. H. Fulmer, Chas. Reed, Fred Cooper, John Scott and P. R. Pierce of Pine Valley; C. F. Cox of Ontario; J. H. Helman of Shoshone, and Walter Meacham of Baker.

A strong degree team was organized and the following men initiated into the full mysteries of Pythian Knighthood: Harry DeLong, Joseph Hunsaker, Almon Motley and Harry Hewitt, all of Pine Valley, and W. P. Williams of Richland.

Serve Your Country By Saving Money!

You've always been told you ought to save money; every day some savings bank advertisement tells you so. The chief reason given for saving money has been that you'd have the money with interest later on, as a step to financial independence and success.

That is an excellent reason, but there's a better reason than that. Save because we have pledged the honor of our country and our people to fight this war to our last dollar and to our last man if necessary. America does not break her word.

Money saved makes of you a better man or woman, boy or girl; makes you dependable, responsible; increases self-respect, which increases your value. Save money to help your country by buying War Savings Stamps and U. S. Thrift Stamps.

- 1—War Savings Stamps are a promise to pay you the amount you invest, at the end of 5 years, with 4 per cent interest compounded every three months.
- 2—You can turn them into cash any time without looking for a buyer; just go into any postoffice and get them cashed.
- 3—You can invest in U. S. Thrift Stamps as little as 25 cents at a time, and as much more as you please.

INVEST YOUR MONEY IN YOUR GOVERNMENT

Put your quarters, and halves and dollars into these safest and simplest of all government securities.

Liberty Bond Buyers

All those who subscribed for Third Liberty Bonds to be paid for in installments will please keep the following facts in mind. Payments are due on May 28, July 18 and August 15 at the federal bank at San Francisco, thus making it necessary that they be paid in at the Eagle Valley State Bank three or four days previous to the above dates.

Messrs. Henry E. Tweed and Walter Meacham, accompanied by Frank Logan of the U. S. biological bureau, were in town yesterday. The first two mentioned were working up interest in "Chuck-Hole Day," Tuesday, May 14th. Everyone interested in good roads is urged to turn out next Tuesday and fill up the chuck-holes in the road.

Kiddies Are Doing Their Bit.

Mrs. Cora Simonis, who has charge of the Junior Red Cross at New Bridge during the school vacation, reports the shipment yesterday of the following:

- 65,300 gun wipes
- 12 kitchen mats
- 1 knitted comforter
- 50 knitted wash rags
- 12 dish towels
- 4 pair wooden knitting needles made by boys
- 35 fun books
- 15 pair new stockings for children
- 1 knitted sweater
- 2 complete baby layette outfits
- 300 pennies donated by the primary grades
