Sour Stomach
This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. Do Your ALL!

"DOING YOUR BIT" Is Not Enough

The Fullest Measure of Service

Is the measure of our personal responsibility in this war. Homes united, families enrolled, resources conserved, waste eliminated means—**AMERICA INVINCIBLE.**

Every Man, Woman and Child

Should think and act and serve together. What each one of us does during the next year

Will Decide the Fate of the World

When each of us learns to sacrifice every interest in the National Service, Germany's doom will be sealed.

Live in health and efficiency, but without extravagance and without waste.

Here is an opportunity for each to share in the joy of service; as important as the service rendered by the man at the front.

Save and Lend Your Savings

You can render double service by lending your savings to Uncle Sam. He needs your savings now. You will need them after the war; if you keep them till January 1, 1923, you will get your money back with 4 per cent interest, compounded quarterly. They may be redeemed before maturity at any post-office with interest to about 3 per cent.

Buy War-Savings Stamps

And hold safely the results of your patriotic thrift against a time of need. It helps to win the war. And your dollar will buy more after the war.

They Are Ballots for the Rights of Mankind

A Savings Stamp cost \$4.12 in January, and to this price one cent has been added for each month since January. This stamp will be worth \$5.00 on January 1, 1923.
